

International Theory

A Journal of International Politics, Law and Philosophy

Editors

Christian Reus-Smit, *University of Queensland, Australia*

Duncan Snidal, *Nuffield College, University of Oxford, UK*

Alexander Wendt, *The Ohio State University, USA*

International Theory (IT) promotes theoretical scholarship about the positive, legal, and normative aspects of world politics respectively. The journal is open to theory of absolutely all varieties and from all disciplines, provided it addresses problems of politics and pertains to the international. Scholarship is welcomed that uses evidence from the real world to advance theoretical arguments. However, the journal is intended as a forum where scholars can develop theoretical arguments in depth without an expectation of extensive empirical analysis. The goal is to promote communication and engagement across theoretical and disciplinary traditions.
