

General Notes

THE FOURTH CAMBRIDGE COURSE IN ADVANCED OTOLARYNGOLOGY

8-13 JULY 1984

SPEAKERS INCLUDE:

T. R. Bull, J. A. S. Carruth, J. D. K. Dawes, P. D. M. Ellis, J. N. G. Evans, A. P. Freeland, R. F. Gray, J. Hibbert, A. Levene, I. S. Mackay, D. A. Moffat, P. D. Phelps, A. E. S. Richards, R. A. Williams, G. P. Walsh Waring, J. L. W. Wright.

THE Fourth Course will be held at Addenbrooke's Hospital, Cambridge, from 8-13 July 1984. Once again, the aim is to provide an up-to-date account of Otolaryngology as practised in the United Kingdom at the present time. All major areas of the speciality will be included in the programme which, it is hoped, will appeal to those in training and to more senior surgeons both from the United Kingdom and from abroad.

Accommodation and meals have been arranged at Peterhouse and at Corpus Christi College, two of the oldest Cambridge Colleges.

Course fee (includes registration, accommodation and all meals):

Consultants and foreign graduates: £295

United Kingdom junior medical staff: £195

(Final F.R.C.S. candidates especially welcome.)

Further details may be obtained from the Course Secretary:

P. D. M. Ellis, F.R.C.S.,
Ear, Nose and Throat Department,
Addenbrooke's Hospital,
Hills Road,
Cambridge CB2 2QQ.

INTERNATIONAL SYMPOSIUM ON AUDITORY BIOCHEMISTRY

ST. PETERSBURG BEACH, FLORIDA, U.S.A.

5-7 FEBRUARY 1984

THIS is part of the 1984 meeting of the Association for Research in Otolaryngology.

PURPOSE: To bring together scientists doing research in auditory biochemistry for the purpose of synthesis of past and current concepts and suggestions for future research.

CONTACT: Dr. Dennis Drescher, Associate Professor, Departments of Otolaryngology and Biochemistry, Wayne State University School of Medicine, Detroit, Mich. 48201.
Telephone: (313) 577-1650.

SPONSOR: National Institutes of Health.

THE TRUSTEES OF THE
TWJ FOUNDATION AND THE MIDLAND INSTITUTE OF OTOLOGY

invite applications for

A CLINICAL AND RESEARCH FELLOWSHIP IN OTOLARYNGOLOGY
FUNDED JOINTLY WITH THE UNIVERSITY OF TORONTO

and tenable in

THE DEPARTMENT OF OTOLARYNGOLOGY, THE UNIVERSITY OF TORONTO

for a period of twelve months from 1 September 1984

THE holder will work in the Department of Otolaryngology of the University of Toronto under the direction of Professor Peter Alberti. There will be opportunities to study the clinical work of the Department and the holder will also be expected to carry out research with Dr. Peter van Nostrand in the Laryngeal Laboratory and with Dr. Michael Hawke in the Temporal Bone Laboratory and eventually prepare papers for publication.

Applicants must be Fellows of one of the Royal Colleges of Surgeons and a Senior Registrar in Otolaryngology in an appointment recognized for Higher Surgical Training.

Further details concerning applications should be obtained *now* from:

The Toronto Fellowship Secretary,
Rustlings, Grayshott,
Hindhead, Surrey GU26 6DP.

The Closing Date for formal applications will be
SATURDAY 17 MARCH 1984.

SEVENTH SHAMBAUGH/SHEA
INTERNATIONAL WORKSHOP ON OTOLOGY
1-4 MARCH 1984

Sponsored by the National Hearing Association

(Oak Brook, IL) An outstanding faculty of 50 world renowned experts in Ear Surgery and Neurotology will lead this workshop series. Emphasis will be placed on new and current medical techniques in the field of hearing. Optional evening programmes have been arranged for review and medical/surgical controversies. The Workshop will be held at the Chicago Marriott Hotel. CME accreditation will be extended to those in attendance at the Workshop.

To apply contact:

National Hearing Association,
1010 Jorie Blvd., Suite #308,
Oak Brook, IL 60521, U.S.A.

FRIENDSHIP SOCIETY OF OTOLARYNGOLOGY
FACULTY OF MEDICINE, ALEXANDRIA, EGYPT
THE FIRST INTERNATIONAL CONFERENCE ON HEARING AIDS
11 AND 12 APRIL 1984

General Information

The first International Conference on Hearing Aids will be held on 11 and 12 April 1984 in the Chatby Hospital conference halls, Alexandria, Egypt.

The delegates will be able to take advantage of the unparalleled educational opportunities offered by the scientific program including plenary sessions, panel discussions, movies, video tapes, scientific and technical exhibits.

An elaborate social programme, during and after the meeting, will provide ample opportunity for the ladies to enjoy tours for shopping, sightseeing, sunbathing and swimming. The scientific programme will allow ample time for relaxation and social interchange.

Interested scientists and Otolaryngologists are invited to present talks and papers dealing with the theme of the conference.

For additional information please write to:

Professor Mostafa Shehata, M. D.,
Secretary General,
Hearing Aid Conference,
Faculty of Medicine,
Alexandria,
Egypt.

GLASGOW TEMPORAL BONE COURSE

THE nineteenth course will take place in Glasgow over the weekend 10, 11, 12 February 1984.

The course comprises dissection of the temporal bone integrated with lectures on the indications, techniques and results of otological surgery together with the histopathology of the temporal bone.

The course is primarily designed for surgeons in training and is approved by the Postgraduate Medical Education Committee and therefore study leave and expenses can be claimed.

The course tutors are: Mr. Andrew Baxter, F.R.C.S., Consultant ENT Surgeon, Stobhill Hospital, Glasgow; Mr. G. G. Browning, M.D., F.R.C.S., Senior Lecturer, Glasgow University Department of Otorhinolaryngology and Mr. Alastair M. Pettigrew, F.R.C.S.

Further details and application forms can be obtained from:

Mr. Alastair M. Pettigrew, F.R.C.S.,
Consultant ENT Surgeon,
Stirling Royal Infirmary,
Stirling FK8 2AU.
Tel.: 0786 3151 Extension 112.

VTH INTERNATIONAL SYMPOSIUM ON THE FACIAL NERVE

BORDEAUX, FRANCE

3, 4, 5 AND 6 SEPTEMBER 1984

President: Michel Portmann

TOPICS:

Basic sciences; Clinical and paraclinical investigations; Hemifacial spasm; Medical and physical care; Neurosurgery of the facial nerve; Anastomosis surgery; Plastic surgery.
(*English/French with simultaneous translation*)

LECTURES and PANELS in plenary sessions:

Participation of outstanding international faculty of guest speakers.

AUDIO-VISUAL PROGRAM

SCIENTIFIC EXHIBIT

EXHIBIT OF PHARMACEUTICAL PRODUCTS AND SURGICAL EQUIPMENT

For further information write to:

Congress Secretariat,
Fondation Portmann,
114 Avenue d'Arès,
33074 Bordeaux, Cedex, France.

TEMPORAL BONE SURGICAL DISSECTION COURSES

OFFERED BY

THE DEPARTMENT OF OTORHINOLARYNGOLOGY

THE UNIVERSITY OF MICHIGAN MEDICAL SCHOOL, ANN ARBOR, MICHIGAN

MALCOLM D. GRAHAM, M.D.—COURSE DIRECTOR

9-14 JANUARY 1984

9-13 APRIL 1984

11-15 JUNE 1984

24-28 SEPTEMBER 1984

15-19 OCTOBER 1984

12-16 NOVEMBER 1984

INTENSIVE one-week courses emphasize the surgical and anatomical approaches to the temporal bone, and are presented in a manner relevant for the otologic surgeon, utilizing lectures, videotapes, and dissection.

Mornings and afternoons are spent in the dissection laboratory, giving extensive drilling experience in temporal bone anatomy and surgical techniques. All instruments and high-speed handpieces will be provided.

Course fee is \$1,000.00.

For further information write: Malcolm D. Graham, M.D.,
Department of Otorhinolaryngology,
University of Michigan,
Ann Arbor,
Michigan 48109,
U.S.A.

BRITISH ASSOCIATION OF OTOLARYNGOLOGISTS
UNDERGRADUATE PRIZE ESSAY

THE subject of the third Undergraduate Prize Essay was 'The importance of the mucociliary mechanism to the upper respiratory tract'.

The winner was Michael Healy from Queen's University, Belfast.

There were two joint runners-up: Philip Bloom from Bristol and M. J. Porter from Oxford.

XXXIV CONGRESO NACIONAL DE LA SOCIEDAD MEXICANA
DE OTORRINOLARINGOLOGIA

1-5 MAY 1984

CITY OF ACAPULCO, MÉXICO

FOR further information, please contact: Dr. Raúl Mereles, Eugenia #13-403 Col. Nápoles.
Deleg. Benito Juárez. C.P. 03810 México D.F. México.
