Brecht

Mother Courage and Her Children

Peter Thomson

Conclusion by Viv Gardner

This is the first comprehensive study of Brecht's *Mother Courage*. Peter Thomson chronicles Brecht's own production and how the play has been transmitted from Joan Littlewood to today's theatre. The book also examines interpretations by Judi Dench, Glenda Jackson and Richard Schechner. Additional productions from France, Germany and Africa are also analysed. The final chapter explores the significance of the play in light of the wars in the former Yugoslavia and Uganda.
