

# Management

Books and Journals from  
Cambridge University Press

A key area of publishing at Cambridge, our management list includes books and journals authored by internationally renowned scholars from both established and emerging economies.

We have built a reputation for rigour and for innovative approaches in the fields of business ethics, entrepreneurship & innovation, governance, human resource management, international business, organization studies, marketing, and strategic management.

# Law

## Books and Journals from Cambridge University Press

Cambridge have an established and ever expanding academic law list in public and private law subjects crossing books and journals aimed at a global readership.

Particular strengths lie in international law, human rights and transitional justice, transnational and comparative law, jurisprudence, and legal history.

We also publish a growing number of titles with an inter-disciplinary and socio-legal approach.

# Area Studies

Books and Journals from  
Cambridge University Press

Cambridge has a vibrant programme of books and journals spanning all geographical areas of the world.

We publish prestigious book series and stand-alone titles that analyse regions through a variety of disciplines in both the humanities and social sciences, ranging from politics, economics and history through to anthropology and religion.

Our multi- and interdisciplinary journals regularly achieve high Impact Factors and lead their respective fields.

Core

The background of the advertisement is black. On the left side, there is a cluster of various coins, including Swedish Krona and Euro coins, scattered across the lower half. A white line graph, resembling a stock market or economic index, is overlaid on the coins and extends upwards towards the top right corner of the page. The graph shows a general upward trend with some minor fluctuations.

# Economics

Books and Journals from  
Cambridge University Press

Cambridge's economics list is renowned for the breadth and quality of its publishing.

Our book list is home to the work of some of the most important economists in the history of the discipline, most notably John Maynard Keynes, as well as the work of almost 30 Sveriges Riksbank Nobel Prize laureates, including Kenneth Arrow, Herbert Simon, Robert Solow and Joseph Stiglitz.

This is complemented by a cluster of key journals such as *Econometric Theory*, *Journal of Economic History* and *Journal of Financial and Quantitative Analysis*.
