Kingdom of Saudi Arabia
King Abdulaziz Medical City
National Guard Health Affairs Hospitals

INFECTION PREVENTION AND CONTROL PROGRAM

National Guard Health Affairs – King Abdulaziz Medical City is considered as flagship facility in the Middle East, JCI accredited hospital, providing primary and tertiary healthcare services to the National Guard forces, their dependents and civilian employees. As a Center of Excellence, it performs all major surgeries – including cardiac surgery, liver transplants, and conjoined twin separation.

The Department of Infection Prevention and Control (IP&C) in KAMC Riyadh is a corporate department that oversees and collaborates with the IP&C departments of the Western and Eastern Regions. IP&C Departments are comprised of three main sections: Public Health Section, Hospital Infection Control Section, and Environmental Health and Occupational Health and Safety Section. Each section has its own activities and provides specific services to the hospital, affiliated clinics and/or communities in the central region, eastern and western Saudi Arabian National Guard (SANG) regions.

We are currently inviting applications for the following post:

KAMC Riyadh

Deputy Executive Director – Infection Prevention and Control Program and a Director – Hospital Epidemiology

Our requirement in terms of academic qualification is as follows:

- US Board / North American trained in Pediatrics or Internal Medicine
- Fellowship Training in Infectious Diseases
- 5 years experience in Infection Control at a Tertiary care hospital

We in turn can offer a generous tax-free salary, 50-day holidays, and educational support for your children, free flights at start and end of your contract, and of course a high quality accommodation. The consultant will do 18 shifts per month with flexible scheduling.

If you are interested please e-mail your CV indicating which journal advert you are responding to, along with copies of your certificates to the recruitment office of NGHA-KAMC, for the attention of Mr. John Quinn at email address: quinnj@ngha.med.sa, or fax# +966-1-2520056.
