Editorial policy: The *International Journal of Law Libraries* invites for publication the submission of manuscripts for articles, bibliographies, notes and correspondence concerning law and law-related information.

All articles, bibliographies or other longer works should be sent to the Editor-in-Chief. Materials intended for inclusion in any of the other sections of the *IJLL* should be sent directly to the Associate Editor who has responsibility for the respective section, at the above addresses.

Any material received will be subjected to a review procedure before it can be accepted. Accepted manuscripts will be edited, where necessary, to improve the general effectiveness of communication between author/contributor and reader. If editing should be extensive, with the consequent danger of altering meanings or ideas, the manuscript will be returned for approval. Authors/contributors may expect notification of acceptance, rejection, or the need for revision within eight weeks of editorial receipt of a manuscript or contribution.

Authors/contributors are requested to submit two double-spaced, wide-margined copies of their manuscript materials to the appropriate editor of the *IJLL* along with written assurance that the article has not been published, submitted, or accepted for publication elsewhere as well as a brief statement on the author's current affiliation.

Contributions appearing in the *IJLL* are the responsibility of the authors/contributors and do not imply the endorsement of the Editorial Board. The *IALL* does not assume responsibility for the statements advanced by the contributors to, and advertisers in, the Association's publications. Editorial views do not necessarily represent the official position of the Association.

Subscription information: Subscription rates are included in *IALL* membership. For non-members, SwF 80.00 (or equivalent) per annum. Single copies SwF 15.00 (or equivalent). Checks should be made payable to the International Association of Law Libraries.
