

# INDEX TO VOLUME XXV, 1910.

## SUBJECTS.

	PAGE
ABDUCTOR paralysis, <i>vide</i> Vocal cords.	
Accidental Injuries to Workmen (H. N. Barnett) (review)	54
Acoumetric formula (J. Möller)	385
—— methods (Gradenigo)	383
Adenoids, nasal, offshoots of (A. Meyer)	667
—— sequelæ of (L. Smith)	160
—— simulated by syphilis (Trapenard)	102
Adrenalin-cocaine anæsthesia, death after (T. J. Harris)	271
Aërophagia (Castex and Parrel)	431
Air-passages, changes in, in pregnancy, etc. (Imhofer)	580
—— direct examination of (discussion)	605
American Laryngological Association	96, 150, 261, 316
—— Laryngological, Rhinological and Otological Society	486, 551, 581
Anæsthesia, local, in ear surgery (J. J. Harley)	444
Angeioma of auricle (G. Wilkinson)	146
—— of pharynx (H. J. Davis)	311
Antrum, maxillary, <i>vide</i> Sinus, maxillary.	
Aphonia, ? diagnosis (C. Horsford)	640
Asthma, nasal (Dan McKenzie)	202
—— nasal cauterisation in (A. Francis)	534
Audition, <i>vide</i> Hearing.	
Auditory and facial nerves, affections of (Is. Braun)	94
—— nerve, tumours of (M. A. Starr)	444
Auricle, angeioma of, pulsating (G. Wilkinson)	146
—— deformity of (M. A. Castex)	259
—— —— congenital (A. Cheatle)	641
—— —— operation (E. Ruttin)	94
—— dermatitis of (C. E. West)	653
—— fibroma of (E. Pistre)	106
—— infiltration of (D. McKenzie)	652
—— rheumatic nodules on (H. D. Rolleston)	558
—— thickening of (Dan McKenzie)	214
—— tuberculoma of (Frey)	92
Austrian Otological Society	92, 156, 491
Baber, the late E. Cresswell, obituary notice	237
Bier's hyperæmia in aural suppuration (Biehl, Isemer, Spira)	107, 321, 414
—— —— in laryngeal tuberculosis (W. Howarth)	368
Brain, abscess of (Compaired, Mr. C. Smith)	328, 671
—— —— encapsuled (Mosher)	110
—— —— otogenic (O. Levy)	443
—— —— <i>vide</i> also Cerebrum, and Cerebellum, abscess of.	
British Medical Association Meeting	449
—— —— Laryngological Section	478, 529
—— —— Otological Section	457, 523
Bronchoscopy (Brünings)	479
—— discussion on	479

	PAGE
Bronchoscopy, fatal (Chiari) . . . . .	669
— in thoracotomy (O. Gaub and C. Jackson) . . . . .	439
Bronchus, foreign bodies in, removal (H. Tilley, C. W. Richardson) . . . . .	251, 586
Calcium lactate in hæmorrhage (W. R. Simpson) . . . . .	98, 166
Cancer, delayed recurrence of (H. Tilley) . . . . .	28
— protracted duration of (H. Smith) . . . . .	263
Cerebellum, abscess of, simulated (H. Tod) . . . . .	375
— abscess of (S. Scott, W. H. Kelson) . . . . .	649, 654
— tumours of, diagnosis (E. Jones) . . . . .	110
Cerebrum, abscess of, following pan-sinusitis (Guizez) . . . . .	432
— — latent, diagnosis of (G. Ferreri) . . . . .	325
— — otitic (M. Nicolas) . . . . .	443
— frontal lobe of, rhinogenic abscess of (Guizez) . . . . .	432
— temporal lobe of, abscess of (F. Alt, G. T. Ross) . . . . .	93, 392
— — — without vomiting (A. L. Whitehead) . . . . .	370
— temporo-sphenoidal lobe of, <i>vide</i> Temporal Lobe.	
Cervical abscess, deep, from peri-sinu-iti- (S. Citelli) . . . . .	108
Chloride of ammonium inhaler, "Vaporole" . . . . .	504
Cholesteatoma, pathogeny of (W. Wingrave) . . . . .	339
Chorea, naso-pharyngeal, origin of (S. L. de Ponthière) . . . . .	461
Cirroid aneurysm of auricle (G. Wilkinson) . . . . .	146
Cocaine-adrenalin anæsthesia, death after (T. J. Harris) . . . . .	271
Common colds, ætiology of (A. Coolidge, jun.) . . . . .	555
Cricoid cartilage, tuberculous perichondritis of (H. Barwell) . . . . .	195
Deaf-mutism, acquired, from congenital syphilis (M. Yearsley, O. Mayer) . . . . .	181, 234, 615
— — — ætiology of (Urbantschitsch) . . . . .	657
— — — pathology of (A. A. Gray, A. Denker, E. Ruttin) . . . . .	46, 225, 329, 658
Deafness, chronic progressive, classification of (J. Möller) . . . . .	386
— from auto-intoxication (S. F. Snow) . . . . .	321
— from eclampsia (M. Yearsley) . . . . .	502
— from myxœdema (S. M. Smith) . . . . .	616
— naso-pharyngeal cancer (E. Law) . . . . .	141
— hysterical (P. H. Abercrombie and D. McKenzie) . . . . .	372
— in relation to public services, etc. (J. Horne) . . . . .	525
— obstructive, unilateral, tests for (R. Bárány) . . . . .	156
— simulation of, diagnosis (Bárány) . . . . .	656
— syphilitic (A. Cheatle) . . . . .	643
— tabetic (D. McKenzie) . . . . .	148
Dentigerous cysts (D. C. Greene) . . . . .	150
Diphtheria, latent (P. Watson Williams, R. M. Buchanan) . . . . .	2, 57, 59
Direct examination, importance of (L. Hirschland) . . . . .	106
— of upper air-passages (von Eicken, D. R. Paterson) . . . . .	605
Diseases of Ear (A. A. Gray) (review) . . . . .	559
— of Larynx, Nose, and Ear (R. Kayser) (review) . . . . .	168
— of Nose, Throat, and Ear (C. H. Knight and W. S. Bryant) (review) . . . . .	279
— of Throat (J. Walker Downie) (review) . . . . .	56
Ear, anatomy and pathology of the (S. Scott) . . . . .	139
— diseases of, and heredity (B. A. Randall) . . . . .	500
— — and the naso-pharynx (Leland, Pierce, Packard, E. Law) . . . . .	103, 141, 164, 316, 317
— — diagnosis (Sondern) . . . . .	663
— — effect of tobacco and alcohol on (H. O. Reik) . . . . .	583
— diseases of the, in relation to insurance, etc. (J. Horne) . . . . .	525
— — X-rays in (G. Schwarz) . . . . .	558
— embryology of the (J. J. Jenkins) . . . . .	145

	PAGE
Ear, examination of, in febrile affections (Maschke) . . . . .	614
— external, <i>vide</i> Auricle.	
— functional examination of; histology after (R. Panse) . . . . .	411
— influence of eye on (Ryerson) . . . . .	670
— injury of, by hat-pin (A. Mann) . . . . .	501
— middle, carcinoma of (R. Leidler) . . . . .	276
— ——— catarrh of, chronic (E. C. Balur) . . . . .	322
— ——— ——— facial paralysis (H. J. Davis) . . . . .	219
— ——— disease of, and affections of mucous membranes (M. Hovell) . . . . .	526
— ——— ——— and sense of smell (Urbantschitsch) . . . . .	334, 669
— ——— ——— from pertussis (R. A. Banks) . . . . .	276
— ——— ——— suppuration of, acute, ætiology of (Neumann and Ruttin) . . . . .	612
— ——— ——— ——— Bier's hyperæmia in (Isemer, Biehl, Spira) . . . . .	107, 321, 414
— ——— ——— ——— from <i>Streptococcus mucosus</i> (Neumann and Ruttin) . . . . .	612
— ——— ——— ——— gravitation abscess in (Leidler) . . . . .	107
— ——— ——— ——— pouching of membrane in (Bourguignon) . . . . .	501
— ——— ——— ——— chronic, encephalitis from (Vierhuff, Lermoyez) . . . . .	109, 312
— ——— ——— ——— optic neuritis in (Alskne, J. S. Barr, and J. Rowan) . . . . .	110, 334
— ——— ——— ——— ossiculectomy for (M. Yearsley) . . . . .	523
— ——— ——— ——— vaccine therapy (Nagle) . . . . .	659
— ——— routes of infection from, to intra-cranium (J. Mouret) . . . . .	411
— ——— polypus of, tubercular (H. J. Marriage) . . . . .	655
— ——— surgery of the, local anæsthesia in (Hurley) . . . . .	444
— ——— syphilis of the (M. Yearsley, O. Mayer, A. H. Cheate) . . . . .	181, 234, 615
— ——— tuberculosis of, in children (W. Milligan) . . . . .	467, 506
Eclampsia, deafness during (M. Yearsley) . . . . .	502
Education, annual report of Chief Medical Officer for (M. Yearsley) . . . . .	113
— of the specialist in laryngology, etc. (P. Watson Williams) . . . . .	619
Electrical apparatus (G. A. Weill) . . . . .	260
Encephalitis from otitis (Vierhuff, Lermoyez) . . . . .	109, 312
Endoscopic spatula (Killian) . . . . .	549
Endothelioma of ethmoid (C. Nourse) . . . . .	85
— of temporal bone (D. Grant, D. R. Paterson) . . . . .	143, 220
Epiglottis, cyst of (J. C. Beck) . . . . .	275
— epithelioma of (H. Barwell) . . . . .	309
— fungating tumour of (H. J. Davis) . . . . .	311
— tuberculous (W. H. Kelson) . . . . .	198
— ——— amputation of (H. Tilley) . . . . .	28
Epipharyngeal periadenitis (Logan) . . . . .	317
Epithelioma of larynx, <i>vide</i> Larynx.	
— of naso-pharynx, <i>vide</i> Naso-pharynx.	
Estoral in laryngo-rhinology (Feldt) . . . . .	110
Ethmoid, endothelioma of (C. Nourse) . . . . .	85
Ethmoidal neuroses (Killian) . . . . .	577
Ethyl chloride, fatality following (Packard) . . . . .	609
Eustachian tube, orifice of; bands (E. A. Peters) . . . . .	88
— ——— polypus in (J. A. Jones) . . . . .	215
Extra-dural abscess; sloughing of jugular vein (H. J. Davis) . . . . .	644
Facial and auditory nerves, affections of (Braun) . . . . .	94
— nerve, sensory symptomatology, etc., of (J. R. Hunt) . . . . .	405
— ——— suture of (F. Sydenham) . . . . .	223
— ——— paralysis in acute otitis (Munch) . . . . .	260
— ——— in catarrhal otitis (H. J. Davis) . . . . .	219
— ——— Ménière's symptoms with (Bruce and Fraser) . . . . .	393
Falsetto voice (Myerson) . . . . .	333

	PAGE
Fibrolysin, contra-indications of (Stocker) . . . . .	223
Fibroma of auricle (Pistre) . . . . .	106
Foreign body in bronchus (H. Tilley) . . . . .	251
——— in lung (H. J. Davis) . . . . .	125
——— in œsophagus (H. J. Davis, H. Tilley, Guisez, Jackson, Strazza) . . . . .	127, 303, 432, 558, 607
Frontal bone, osteitis of (Lermoyez) . . . . .	312
——— osteomyelitis of (C. J. Symonds) . . . . .	33
Galvano-cautery in laryngeal tuberculosis (D. Grant, H. Tilley, J. Donelan) . . . . .	134, 248, 363
Goitre, exophthalmic (J. G. Mumford) . . . . .	500
——— specimen of (J. Donelan) . . . . .	32
Graves' disease, <i>vide</i> Goitre, exophthalmic.	
Gravitation (subcephalic) otitic abscess (Leidler) . . . . .	107
Hæmophilia (T. Hubbard) . . . . .	98
Hæmorrhage, calcium lactate in (Simpson) . . . . .	98, 166
——— from upper air-passages (Chiari) . . . . .	101
——— nasal; post-operative; prevention (Casselberry) . . . . .	260
Hay-fever, immunisation treatment of (Scheppegegrell) . . . . .	272
Hay's pharyngoscope (W. Milligan) . . . . .	47
Head-neck muscles: E. Urbantschitsch) . . . . .	440
Head-neck from nasal obstruction (L. H. Pegler) . . . . .	544
Hearing, tests for (Bárány) . . . . .	656
Heredity and ear-disease (Randall) . . . . .	500
Hiatus semilunaris, removal of lip of, for catarrh (D. Grant) . . . . .	255
Hoarseness, case of (G. C. Cathcart) . . . . .	24, 83
Hyoid bone, fracture of (H. J. Davis) . . . . .	127
Ictus laryngis (H. J. Davis) . . . . .	127
Implantation cysts of mastoid (Schoetz) . . . . .	106
Instruments for throat, etc., new joint for (Kuttner) . . . . .	577
International Congress of Medicine, Section of Laryngology . . . . .	599
——— of Otology . . . . .	319, 383, 411, 495
——— Laryngo-Rhinological Congress . . . . .	101
Interstitial keratitis, treatment of (S. Stephenson) . . . . .	440
Intra-cranial complications, rhinogenic (Freudenthal) . . . . .	437
Jugular bulb, operations on (Moure) . . . . .	388
——— vein, ligation of (Botey) . . . . .	327
——— sloughing of (H. J. Davis) . . . . .	644
"Kloram" inhaler, the . . . . .	224
Krankheiten der Nase, etc., Die (C. Zarniko) (review) . . . . .	503
Kuhn's per-oral intubation (W. Milligan) . . . . .	210
Labyrinth, affections of, in leukaemia (Krepuska) . . . . .	322
——— fistula of (Bárány, L. Sewell, G. Alexander) . . . . .	95, 96, 166, 670
——— closed with lead (Bárány) . . . . .	497
——— operative technique of surgery of (Bourguet) . . . . .	402
——— symptoms, the significance of (G. E. Shambaugh, G. Alexander)	391, 670
——— tests (G. W. Mackenzie) . . . . .	440
——— galvanic (G. W. Mackenzie) . . . . .	335
——— in forensic medicine (Lermoyez and Hautant) . . . . .	427
——— post-operative (R. Lake and W. Pike) . . . . .	40
Labyrinthitis, acute (G. Alexander) . . . . .	50
——— infective (Hautant, Alexander, R. Bárány, C. West) . . . . .	313, 451, 473, 474
——— chronic (C. E. West) . . . . .	653
——— indication for operation (Schmiegelow, Bárány) . . . . .	413, 495, 496

	PAGE
Labyrinthitis, infective, pathology of (H. Neumann) . . . . .	496
—    unrecognised, meningitis (Luc) . . . . .	614
Laryngeal, cases for diagnosis (H. J. Davis, N. Bardswell) . . . . .	204
—    stridor, congenital (J. Rothschild) . . . . .	48
—    vertigo (H. J. Davis) . . . . .	128
Laryngectomy (H. Smith) . . . . .	263
Laryngitis, chronic (H. B. Robinson) . . . . .	23
—    dolorosa (Freudenthal) . . . . .	594
Laryngology, History of (A. Jurasz) (review) . . . . .	55
Laryngostomy (Guisez, Sargnon, and Barlatier) . . . . .	606
Larynx, abscess of (J. S. Waterman) . . . . .	553
—    carcinoma of, cases of (H. Tilley, H. Barwell, E. W. Roughton, G. S. Hett, P. Watson Williams, Fitzgerald Powell, E. A. Peters, C. Nourse, D. Grant, W. Hill) 28, 30, 33, 81, 84, 91, 306, 308, 310, 362, 368	
—    —    diagnosis and treatment (Sir F. Semon, Chiari, Gluck) 599, 600	600
—    —    for thirteen years (H. Smith) . . . . .	263
—    —    hemi-laryngectomy for (Berens) . . . . .	588
—    —    operative treatment of (G. E. Brewer) . . . . .	49
—    congenital web of (W. A. Macdonald) . . . . .	275
—    disease of, in typhoid fever (Fränkel) . . . . .	163
—    foreign body in (Monson) . . . . .	557
—    functional disease of (L. H. Pegler) . . . . .	368
—    hyperkeratosis of (Zwillinger) . . . . .	604
—    in pregnancy, parturition, etc. (Imhofer) . . . . .	580
—    infiltration of, unilateral (D. Grant) . . . . .	310
—    lipoma of (M. A. Goldstein) . . . . .	222
—    neoplasm of, cases of (P. R. W. de Santi, P. Watson Williams, W. G. Porter) . . . . .	32, 84, 310, 390
—    œdema of, acute, after ether (Mason and Inglis) . . . . .	439
—    —    chronic (Veillard) . . . . .	315
—    papilloma of (W. Hill, A. Wylie, H. Tilley) . . . . .	139, 188
—    paralysis of, <i>vide</i> Vocal cords.	
—    pemphigus affecting (H. J. Davis) . . . . .	127
—    perichondritis of (H. Barwell) . . . . .	196
—    —    tuberculous (H. Barwell) . . . . .	195
—    removal of, by suicide (E. A. Peters) . . . . .	194
—    sarcoma of (Salzburg) . . . . .	547
—    stenosis of (W. Hill, Guisez) . . . . .	203, 314
—    —    acute, intubation, etc. (Citelli) . . . . .	668
—    —    cure (StClair Thomson) . . . . .	29
—    —    inspiratory, of (StClair Thomson) . . . . .	198
—    stereoscopic telescope for (Hegener) . . . . .	576
—    tuberculosis of (H. Barwell, W. H. Kelson, Mahu, W. Hill)	
—    —    —    Bier's hyperæmia in (W. Howarth) . . . . .	195, 198, 260
—    —    —    cautery in (D. Grant, H. Tilley, J. Donelan) . . . . .	368
—    —    —    in child (G. C. Cathcart) . . . . .	134, 248, 363
—    —    —    odynphagia, alcohol injections (D. Grant) . . . . .	251
—    —    —    tuberculin in (C. Wilkinson) . . . . .	359
—    —    syphilis of (D. McKenzie, W. Hill, Mahu) . . . . .	538
—    —    ulceration of (H. B. Robinson) . . . . .	89, 138, 260
—    —    ventricle of the, disease of (J. Horne) . . . . .	22
—    —    Vincent's angina of (H. Arrowsmith) . . . . .	363
Leçons sur les Suppurations de l'Oreille Moyenne, etc. (Dr. Luc)	
—    —    (review) . . . . .	591
Leukoplakia of soft palate (A. Wylie) . . . . .	446
Lingual thyroid (W. G. Spencer) . . . . .	131
Lip, syphilitic ulceration of (C. Nourse) . . . . .	638
Lumbar puncture for aural vertigo (Weill, etc) . . . . .	91
Lymphocytes, tonsillar, origin of (Wood) . . . . .	257
Lympho-sarcoma of tonsil (G. Wilkinson) . . . . .	261
	133

	PAGE
Mastoid abscess from peri-sinusitis (Citelli) . . . . .	108
—— cells, histology of (J. J. Jenkins) . . . . .	143
—— epidermic, cysts of (Schoetz) . . . . .	106
—— infantile (A. H. Cheatle) . . . . .	169, 205, 328
—— operation, adventitious membrane after (H. J. Davis) . . . . .	218
—— —— after-treatment (Neubauer) . . . . .	319
—— —— deformity of auricle after (H. J. Davis) . . . . .	373
—— —— opening of antrum (Iglauer) . . . . .	392
—— —— retro-auricular openings after (Winckler) . . . . .	501
—— X-ray examination of (Birkett) . . . . .	472
Mastoiditis and osteomyelitis (H. Todd) . . . . .	217
—— bacteræmia in (Leutert) . . . . .	50, 323
—— from traumatic perforation (Zebrowsky) . . . . .	106
—— from retro-pharyngeal abscess (Fallas) . . . . .	165
—— vaccine treatment of (J. Scott) . . . . .	107
—— with multiple lesions (Fouriné) . . . . .	165
—— without perforation of membrane (Jacob) . . . . .	276
Maxilla, superior, osteomyelitis of (Samenhof) . . . . .	47
Maxillary antrum, <i>vide</i> Sinus, maxillary.	
—— sinus, <i>vide</i> Sinus, maxillary.	
Meatus, external auditory, adventitious membrane in (H. J. Davis) . . . . .	218
—— —— affections of (Sheppard) . . . . .	596
—— —— atresia of, congenital (Ruttin, Váli, A. Cheatle) . . . . .	94, 417
—— —— cholesteatoma of (H. Tod) . . . . .	377
—— —— exostosis of (H. Tod) . . . . .	374
—— —— neoplasm of (W. Milligan) . . . . .	208
—— —— parasites of (Hemmeon) . . . . .	571
Membrana tympani, artificial (Bárány) . . . . .	491
—— papilloma of (H. J. Davis) . . . . .	219
—— —— pouching of, in acute otitis (Bourguignon) . . . . .	501
—— —— traumatic perforation of (Zebrowski) . . . . .	106
Ménière's syndrome (D. McKenzie) . . . . .	211
—— treatment of (B. Thornton) . . . . .	502
—— with facial paralysis (A. Bruce and J. S. Fraser) . . . . .	393
Meningitis, acute otitic, treatment (Dench) . . . . .	441, 502
—— after labyrinthitis (H. Luc) . . . . .	614
—— from frontal sinus disease (Campbell and Rowland) . . . . .	437
—— —— otogenic, diagnosis, etc. (Lermoyez) . . . . .	387
—— —— recovery (Logan Turner) . . . . .	442
—— —— treatment by lavage of sub-arachnoid space (S. Barr) . . . . .	527
Menthol dermatitis of nose (D. McKenzie) . . . . .	301
Model of larynx, etc. (R. S. Spicer) . . . . .	25
Mouth, congenital deformity of (A. R. Tweedie) . . . . .	191
Mucosus otitis (Neumann and Ruttin) . . . . .	612
Mucous membranes, affections of, relative to ear, etc. (M. Hovell) . . . . .	526
Myxœdema, deafness from (S. M. Smith) . . . . .	616
Naris, anterior, occlusion of (N. Patterson) . . . . .	201
—— —— posterior, occlusion of, congenital (D. McKenzie, D. R. Patterson, J. S. Fraser) . . . . .	137, 200, 486
Nasal and pharyngeal conditions in aural diseases, etc. (G. A. Leland) . . . . .	316
—— —— speech, surgical treatment of (Fröschels) . . . . .	158
Naso-pharyngeal cannula (Bosviel) . . . . .	313
—— —— origin of chorea (de Ponthière) . . . . .	461
Naso-pharynx and disease of ear (G. A. Leland, E. Law, N. H. Pierce, F. R. Packard) . . . . .	103, 141, 164, 316, 317
—— —— direct examination of (von Gyergyai) . . . . .	546
—— —— epithelioma of (E. Law, G. Dupond) . . . . .	141, 222
—— —— fibroma of (Guthrie) . . . . .	668
—— —— neoplasms of (D. Grant, W. Milligan, F. Powell) . . . . .	90, 209, 365

	PAGE
Naso-pharynx, scleroma of (StC. Thomson) . . . . .	633
— syphilis of (Trapenard) . . . . .	102
Nose, accessory sinuses of, <i>vide</i> Sinuses, nasal.	
— and naso-pharynx in infancy (Ingersoll) . . . . .	269
— and tonsils, lymphatics of (von Lénárt) . . . . .	102
— bacteriology of (F. C. Cobb) . . . . .	268
— carcinoma of (Salzburg) . . . . .	547
— deformity of, congenital (G. Wilkinson) . . . . .	131
— Diseases of (J. Garel) (review) . . . . .	167
— extension of skin into (J. Donelan) . . . . .	138
— lupus of (W. Stuart-Low) . . . . .	133
