

Japanese Journal of Political Science

The *Japanese Journal of Political Science* is a peer-reviewed journal that publishes original theoretical and empirically tested political science research. Manuscripts across the full range of sub-fields and research methodologies are welcome for consideration. We are open to single country or comparative studies, and particularly encourage those manuscripts that draw on interdisciplinary approaches to political science questions.

Editorial board

Executive Editors

Professor Christina Davis, Harvard University, USA

Professor Junko Kato, University of Tokyo, Japan

Editors

Professor Kentaro Fukumoto, Gakushuin University, Japan

Professor Benjamin E. Goldsmith, Australian National University, Australia

Professor Kazutaka Inamura, Waseda University, Japan
