IN THEATRICAL LIGHTING,
the originator has always been the leader.
That's because continuous evolution in the
development of original Kliegl equipment
is based upon an enormous—and constantly
expanding—foundation of experience
earned in the design of systems to varied
and exacting individual requirements.

Current selection of Kliegl quality components
make the custom design of versatile and
dependable systems an easily attainable
standard. And, as always, Kliegl engineering
experience is available to make the most
sophisticated refinements wholly practical.

Now enjoy the greatest works of theatre from Shakespeare to Tennessee Williams in original cast recordings you will treasure forever.

To receive at once your uncut original cast recording of MARAT/SADE—on three 12-inch longplaying records—mail the coupon below. This \$18.85 retail value is yours as a free gift to introduce you to the benefits of membership in the Theatre Recording Society.

Broadway startled by new kind of drama

If you were lucky enough to be a first-nighter at MARAT/SADE you will never forget the shattering force with which this play hit the unsuspecting theatregoer. Even critics emerged visibly whitened—and called it the most soul-shaking experience of their professional careers.

Now this exciting adventure in "total theatre" has been captured for all time on superb longplaying records. Here in turbulent drama, wry political satire, and bawdy Brechtian song is the seething lunatic asylum at Charenton, presided over by the most fascinating lunatic of all—the Marquis de Sade. And every volt of opening-night electricity is now brought to your living room—by the same inspired cast that brought it to the Broadway stage.

Great plays, recorded by great stars, for those who love and appreciate great theatre.

As a member of the Theatre Recording Society you will have an opportunity to collect the world's greatest plays by Sophocles, Shakespeare, Ibsen, Shaw, Chekhov,

The finest players of our time

Laurence Olivier

Julie Harris

Jessica Tandy

Montgomery Clift

Tennessee Williams, Arthur Miller, Jean Genet and other masters of drama. Featured performers include Laurence Olivier, John Gielgud, Julie Harris, Ralph Richardson, Judith Anderson, Lee J. Cobb, Siobhan McKenna, Paul Scofield and many others among the most important stars of our time. Each complete play will be beautifully boxed and contain a lavishly illustrated Production Folio with notes by eminent authorities. The full text of the play will be included, handsomely bound as a separate volume.

New and Recent Drama Texts

READERS THEATRE HANDBOOK

A Dramatic Approach to Literature

LESLIE IRENE COGER, Southwest Missouri State College

MELVIN R. WHITE, Brooklyn College

Practically written, this text narrates the history and current status of Readers Theatre to stimulate the imaginations of those working in group reading activities. While theory is included throughout, emphasis is on the practical application of that theory. Accounts of actual college and university productions and sample scripts are included. 1967, 271 pages, softbound, \$2.95

THE CRAFTSMEN OF DIONYSUS

An Approach to Acting

JEROME ROCKWOOD, Montclair State College

Maintaining an effective balance between the practical and the theoretical, this dynamic approach to understanding and mastering the techniques of acting offers a clear, sequential treatment in which the beginning actor learns the progressive steps necessary to create a role. Moving from basic actions through script analysis to performance, the author advocates primarily a representational approach — a combination of “inner” and “outer” techniques used to create an organic, fully realized characterization. 1966, 243 pages, softbound: \$2.95, hardbound: \$3.95

NINETEENTH-CENTURY BRITISH DRAMA

An Anthology of Representative Plays

LEONARD R. N. ASHLEY, Brooklyn College

This collection of twelve full-length and three short plays, each representative of a different facet of nineteenth-century British drama and theatre, demonstrates that there was indeed an active theatre in England between Sheridan and Shaw. Chronological arrangement points up the development of the drama, changing stage conditions, tides of taste, the decline of poetic drama and the rise of realism, and the growth of the new drama of ideas out of the old melodramas. 1967, 704 pages, softbound, \$5.25

WHAT IS THE PLAY?

RICHARD A. CASSELL, Butler University

HENRY KNEPLER, Illinois Institute of Technology

Drawing the student to the drama through plays which emphasize some of the major ideas animating the Western humanistic tradition, this text presents twelve plays and thirteen essays to provide understanding of the play as read and as presented on the stage. Dramatic selections are evenly divided between the serious and the comic, are representative of each major period, and progress from the simple to the more complex. 1967, 608 pages, softbound, \$4.75

Speech For The Stage

by Evangeline Machlin, *Boston University*

"Evangeline Machlin is one of the great authorities in acting speech in this country. For 17 years she directed speech studies at the famed Neighborhood Playhouse School of the Theatre. . . . Dr. Machlin has written one of the indispensable books of her time in its field."—George Freedley.

"The necessary techniques are clearly explained with such enthusiasm that the reader finds himself doing the exercises before he knows it. The book should be valuable even without the assistance of a teacher, but I see a great future for it as a text for voice and diction classes and public speaking groups."—Paul Kozelka, Teachers College, Columbia University.

"This is one of the finest books on voice usage I have ever seen in twenty years of teaching."—Frances Coffey, Northwood Institute.

"*Speech for the Stage* is a book about speech especially designed for building better speech, not only for acting, but for everyday living. . . . We learn how the voice mechanism works. . . . On the inside front cover are the actor's warm-up exercises, and on the last page is a repetition of the warm-up exercises. . . . Voice training begins and closes each time with exercises. The appendix gives exercises for correction of special faults such as stridency, hoarseness, nasality and breathiness. The book is highly recommended for use in building and maintaining an efficient vocal instrument."—Florence E. Hill, *Dramatics*.

"Written by a professional for the use of professionals, be they student or mature actor, the contents are treated in a manner not attempted by any other publication. The style is interesting and direct, the approach is sound and the format is easily followed and understood. The volume has been accepted here as the basic text for all the beginning classes in the professional acting program."—Gordon Peacock, Head, Department of Drama, University of Alberta.

Alfred Levinson, *Assistant*
to Director, Theatre Program

The Theatre Program provides professional instruction for a selected group of participants who will be assigned to classes according to their individual abilities and needs. Special sequences of study and production experience will be offered in acting, dance theatre, design, technical production, theatre administration, playwriting, and directing. Courses in play analysis and theatre history, in languages, and in the humanities and social sciences will be directly related to progress in theatre work.
