The New Global Rulers

The Privatization of Regulation in the World Economy
Tim Büthe & Walter Mattli

“If you want to understand the depths of globalization and what makes it work, then I highly recommend reading this book. It is an example of first-rate research that offers thick descriptions, compelling theory, and convincing empirical results. The authors have done a masterful job in expanding our knowledge and understanding of globalization, and the book deserves to be widely read.”

—John Doces, *Comparative Political Studies*
