

Adhesion, micro- strain and corrosion behavior of ZrN coated AZ91 alloy as a function of temperature.– CORRIGENDUM

Seyed Rahim Kiahosseini, Abdollah Afshar, Majid Mojtahedzadeh Larijani, and Mardali Yousefpour

doi: 10.1557/jmr.2013.241, Published by Materials Research Society with Cambridge University Press, 18 September 2013.

In Kiahosseini et al.,¹ The affiliation for Seyed Rahim Kiahosseini and Abdollah Afshar is incorrectly listed as

Materials Engineering Department, Science and Research Branch, Islamic Azad University, Tehran, Iran, 1477893855

It should be

Department of Materials Engineering, Tehran Science and Research Branch, Islamic Azad University, Tehran, Iran, 1477893855

The authors regret the mistake.
