Contributors to this number

MARTIN H. BIRLEY is Lecturer in Medical Entomology at the Liverpool School of Tropical Medicine. After graduating in electrical engineering, he studied ecology at Imperial College, London, and wrote his Ph.D. on insect population ecology. He first visited Tanzania in 1973 and has been associated with the development sub-committee of the Britain-Tanzania society.

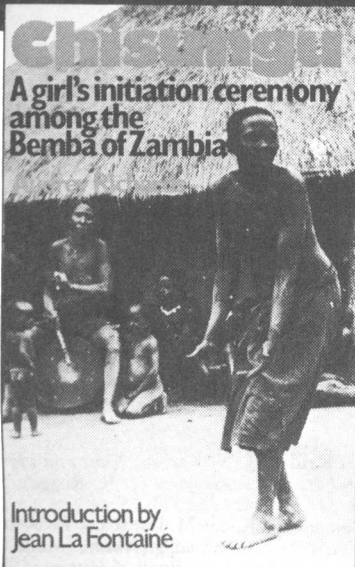

GILLIAN FEELEY-HARNIK, Assistant Professor of Anthropology at Williams College, Williamstown, Massachusetts, is currently writing a book on labour and politics among the Sakalava of north-western Madagascar.

RICHARD A. LOBBAN is Associate Professor of Anthropology and African studies at Rhode Island College, Providence, R.I., U.S.A. He has done field work on urbanization in the Sudan four times from 1970 to 1980. From 1982 to 1984 he will be Senior Research Associate and Head of the Urban Research Unit, Social Research Center, American University in Cairo.

JOHN C. ROUNDS was a Lecturer in Sociology at the University of Natal, Durban, for two years. His research interests centered on cognitive systems in comparative social and historical perspective. He is now a Programmer/Analyst with Princeton University's Administrative Services.

C. N. UBAH is a Senior Lecturer, Department of History, University of Nigeria, Nsukka. He has written on the northern Nigerian emirates and has for some time now extended his interests to the area of Igbo history and culture.

Chisungu

A girls' initiation ceremony among the Bemba of Zambia

AUDREY RICHARDS

Introduction by Jean La Fontaine

Dr Richards observed the entire chisungu or female initiation rite, an almost continuous series of complex ceremonies lasting for a month. Her detailed description of the elements of the ritual, and her analysis of it in terms of the culture of a matrilineal society, have made this a classic ethnographic and theoretical text.
