

MANAGING ON THE EDGE 04–06 DECEMBER 2013 DETAILS FORTHCOMING

27th ANZAM Conference – University of Tasmania – Hobart, Tasmania

We look forward to welcoming you to Perth in December to join us in celebrating the 26th ANZAM Conference.

We promise you a warm welcome, and a friendly, relaxed event in which you can develop and share your research, recharge your networks and make new friends and research partners. We can also promise you Perth's fantastic climate, relatively relaxed pace of life and to share a drop of the best Swan Valley or Margaret River wines.

Please join us in Perth in December 2012.

**10TH ANZAM OPERATIONS, SUPPLY CHAIN AND SERVICES MANAGEMENT SYMPOSIUM**

JOINTLY HOSTED BY MONASH UNIVERSITY AND THE UNIVERSITY OF MELBOURNE

Tasmania, 04 & 06 December 2013 – <http://www.anzam.org/wp-content/uploads/2010/12/10th-ANZAM-OM-Symposium-cfp.pdf>

Over the past decade, the nine previous symposia have provided the forum for academics and practitioners to share their research, knowledge and practical experiences in the operations, supply chain and services management areas. These symposia have contributed greatly to considerable progress being made towards these areas becoming a recognised discipline worthy of serious scholarship and establishing its own body of knowledge. In 2012 we celebrate the 10th year of the symposium. Looking forward to the next decade, we are now at a stage where it is necessary to address the next set of challenges facing the discipline. We need to further develop the body of knowledge, focusing on the ideas and theories relevant to the discipline. We invite contributions addressing issues and problems in the operations, supply chain and services management discipline. These contributions should aim to take the discipline forward and can be of any type, including the following:

- Conceptual papers addressing the theoretical basis of our discipline;
- Empirical studies and field based studies examining the fundamental concepts;
- Analytical modelling and simulation of processes and systems.

Papers submitted will be subjected to the double blind peer review process and will be published in the symposium proceedings.

**Important Dates:** Full papers due: 29 February 2012 Abstracts due for non-refereed papers: 16 April 2012 Final papers due: 07 May 2012 Early bird registration closes: 11 May 2012

**Registration Fee:** Registration fee will include the symposium proceedings, catering for the two days and the symposium dinner on the evening of 14 June 2012. Academics/Researchers/Practitioners: \$350 Research Students: \$250.
