## The English Hospital 1070-1570

Nicholas Orme and Margaret Webster

*"A major and most accomplished work, the first reliable and methodical total treatment of medieval English hospitals ever written."*—Barrie Dobson, Christ's College, Cambridge

This book—the first general history of medieval and Tudor hospitals in eighty-five years—traces when and why they originated and follows their development through the crisis periods of the Black Death and Reformation when many disappeared. Orme and Webster explore the hospitals' religious, charitable, and medical functions, revealing a complex relationship with medieval society: cherished yet marginalised, self-contained yet also parasitic. 320pp. 70 illus. £30.00

**The World of Rural Dissenters, 1520–1725**

*Edited by Margaret Spufford*

A new and original study of religious belief and practice in England in the early modern period. Using evidence from an extensive survey of the taxation records of church wardens and groups of dissenters, this study challenges the view that only the prosperous classes were concerned with religious practice.

**The Refiner's Fire**

**The Making of Mormon Cosmology, 1644–1844**

*John L. Brooke*

This book presents a new and comprehensive understanding of the roots of Mormon religion, which proposes that the faithful will become gods, placing it in the hermetic tradition of the Renaissance. Besides religion, this book deals with magic, witchcraft, alchemy, Freemasonry, counterfeiting, and state-formation.

# Religious Studies

**Editors:** Peter Byrne, *King's College, London* & Keith Ward, *Christ Church, Oxford*

**Religious Studies** is a leading international journal for the philosophy of religion. It publishes the best of current work in the subject as well as material in other branches of religious studies (such as methodology of the study of religion, history of religion and sociology of religion).

The journal has no commitment to any specific school of philosophy, or denominational or confessional background. **Religious Studies** encourages interchange and juxtaposition of views by publishing groups of articles on the same theme. Publication is rapid, facilitating philosophical responses and debate. The journal also carries book reviews of a high standard, many of which are critical essays in their own right.
