In Sametoglu et al. 2021, as a result of a production error there is a mistake in table 1, column 1, row 12. The text should read “Order/Clean/Perfect Domain.” The correct table 1 follows:

**Table 1.** Overview of standardized regression coefficients when regressing obsessive–compulsive personality disorder (OCPD) and obsessive–compulsive disorder (OCD) variables on intercept values from latent growth model for perfectionism

	1st model	2nd model	3rd model
