

Corrigendum

Patient notification about suspected hospital-associated outbreaks of invasive mold infections: Considerations for public health and hospital personnel – CORRIGENDUM

Pooja Gandhi, Kaitlin Benedict, Mitsuru Toda, Karlyn D. Beer, Tom M. Chiller and Brendan R. Jackson

In the above article¹, the authors wish to correct two headings: under “Methods for and examples of using patient notification in IMI outbreaks”, number 1’s heading should read “*Hypothetical mucormycosis cluster*”, and number 2’s heading should read “*Hypothetical aspergillosis cluster*”.
