PASSIONATE UNCERTAINTY

Inside the American Jesuits

Peter McDonough & Eugene C. Bianchi

“What ever happened to the American Jesuits? Though ex-Jesuits now outnumber Jesuits, the order is still around, still a force in American Catholic life. I cannot imagine its corporate identity receiving a more thorough or a more subtle profile than it receives in this book.”

—Jack Miles, author of *God: A Biography*
and *Christ: A Crisis in the Life of God*

CHRISTIAN AMERICA?

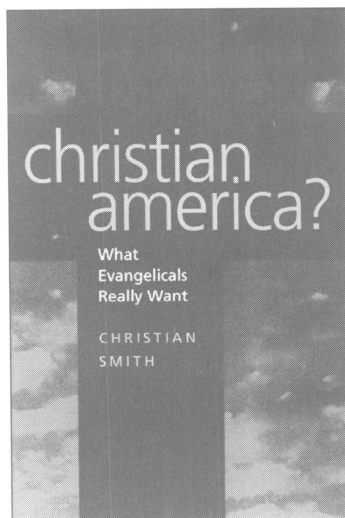

What Evangelicals Really Want

Christian Smith

New in Paperback—“This volume captures the common sense views of thousands of grass-roots evangelicals about the role of politics and pluralism in contemporary America. It shows that evangelicals speak not with one voice, but reflect a wide range of options on most issues of pressing cultural importance. Smith’s subtle and wide-ranging work will significantly define—and redefine—the discussion of religion in America at the turn of the twentieth century.”

—Grant Wacker, Duke University
