
Final Program Addendum

Forty Fifth Annual Meeting

International Neuropsychological Society

February 1–4, 2017
New Orleans, Louisiana, USA

PROGRAM CHANGES & AUTHOR REVISIONS

The following abstracts were *revised* after being accepted for presentation in New Orleans:

Wednesday, February 1, 2017

2:45–4:00 PM

POSTER SESSION 1. EPILEPSY & NEUROSCIENCE

29. LaFleur, J

Impact of neuropsychological consultation in a multidisciplinary pediatric epilepsy clinic (J. LaFleur, K.E. Patrick, J.B. Dykstra, J. Cass & K. McNally)

Revision Details: This abstract was rescheduled from where it currently appears in these proceedings (as #29 in Poster Session 1), and was instead presented as #90 in Poster Session 10.

33. Magnuson, S

Construct Validity of NAB Shape Learning in Predicting Mesial Temporal Lobe Seizure Lateralization (S. Magnuson, J.S. Hundal & B. Funk)

Revision Details: This abstract was rescheduled from where it currently appears in these proceedings (as #33 in Poster Session 1), and was instead presented as #98 in Poster Session 2.

64. Tracy, JI

The Effects of Aging on the Lateralization of Visual-Spatial Semantic Memory in Temporal Lobe Epilepsy (N. Sideman, X. He, N. Kim & J.I. Tracy)

Revision Details: This abstract was rescheduled from where it currently appears in these proceedings (as #64 in Poster Session 1), and was instead presented as #86 in Poster Session 6.

Thursday, February 2, 2017

9:30–10:45 AM

POSTER SESSION 3. PEDS 1

99. Wegele, A

Cognition in Children and Adolescents with Myotonic Dystrophy Type 1 (A. Wegele, R. Yeo, R. Campbell & L. Morrison)

Revision Details: This abstract was presented by co-author Richard Campbell.

1:15–2:30 PM

POSTER SESSION 4. AGING & DEMENTIA 1

98. Timpano Sportiello, MR

MCI: A Study on Progression to Dementia in High-Risk Individuals (G. Mancioffi, L. Tommasini & M.R. Timpano Sportiello)

Revision Details: This abstract was presented by corresponding author Gianmaria Mancioffi.

5:15–6:30 PM

POSTER SESSION 5. POSTER SYMPOSIA, GENETICS, CROSS CULTURAL

2. Friedrich, T

The Impact of Age on Navigation Asymmetry in Naturalistic Settings (T. Friedrich, A. Smith & L. Elias)

Revision Details: This abstract was presented by co-author Lorin Elias.

47. Wang, NY

The Role of Neurocognition, Psychiatric Symptoms, and Multimorbid Illness In Predicting Everyday and Social Functioning in Marginally Housed Persons (N.Y. Wang, K. Waclawik, T.A. O'Connor, D. Lang, W. Panenka & A.E. Thornton)

Revision Details: This abstract's title was submitted in error. The correct title is: "Neurocognition and Psychiatric Symptoms Mediate the Relationship between Multimorbid Illness and Everyday Functioning".

Friday, February 3, 2017

8:00–9:15 AM

5. Conklin, HM

POSTER SESSION 6. ADULT 2

Computerized Assessment of Cognitive Impairment among Children Undergoing Treatment for Medulloblastoma (H.M. Conklin, J.M. Ashford, B.T. Harel, M. Swain, G. Robinson & A. Gajjar)

Revision Details: This abstract was presented by co-author Jason Ashford.

9:30–10:45 AM

4. Kim, M

POSTER SESSION 7. NEUROPSYCHIATRY

Deficits of decision-making in college students who participate in binge drinking (M. Kim, B.M. Kim & E.C. Na)

Revision Details: Two authors were added to this abstract as underlined above.

62. Easter, RE

Clinical predictors of decline in cognitive functioning in bipolar disorder (R.E. Easter, K.H. Hinrichs, P. Babu, K. Angers, E. Rosenzweig, D. Marshall, B. Pester, M. McInnis, S.A. Langenecker & K. Ryan)

Revision Details: This abstract was presented by co-author Pallavi Babu.

1:30–2:45 PM

24. Kemp, E

POSTER SESSION 8. AGING & DEMENTIA 2

Sleep Disturbance and Risk of Cognitive Decline in the ADNI Cohort (E. Kemp, H. Michalak, J. McDonald, E. Pugh, M. Becker, M. Mecca, C. van Dyck, and A.P. Mecca)

Revision Details: Two authors were added to this abstract as underlined above.

70. Hergert, DC

Awareness in Huntington's Disease (D.C. Hergert, J. Sanchez-Ramos, R. West, K. Elliott, P.L. Johnson, E. Kellogg, & C.R. Cimino)

Revision Details: Two authors were added to this abstract as underlined above.

4:15–5:30 PM

28. Kim, RT

POSTER SESSION 9. ABI & INTERVENTION

Brain Function and Task Performance Predict Self-Reported Disinhibition and Executive Function in Veterans with Mild-Moderate Traumatic Brain Injury (R.T. Kim, S.F. Sorg, K.A. Holiday, L. Delano-Wood, M. Meloy, A.L. Clark, M. Tran, E. Locano, A.J. Jak, L.T. Eyler & D. Schiehser)

Revision Details: This abstract was presented by co-authors My Tran and Evelyn Locano.

40. Loyning, A

Comparing Artificial Grammar Learning and Natural Language Learning in Adults with Agrammatic Aphasia (S. Key-DeLyria, S. Lauderdale, A. Loyning, J. Yots)

Revision Details: Stefanie Lauderdale was added to the list of authors as underlined above. Sarah Key-DeLyria was the presenting author.

41. Malleck, M

Baseline Postconcussive Symptom Patterns in Athletes and Non-Athletes (M. Malleck, R. Richardson, C. M. Considine, C. Abeare, J. E. Casey)

Revision Details: One author was added to this abstract as underlined above.

59. Schilling, SL

Suicidality in Military Veterans with Traumatic Brain Injuries (S.L. Schilling & J. Henning)

Revision Details: This abstract was rescheduled from where it currently appears in these proceedings (as #59 in Poster Session 9), and was instead presented as #97 in Poster Session 2.

Saturday, February 4, 2017

9:00–10:15 AM

2. Bedard, A

POSTER SESSION 10. PEDS 2

Cognitive and Emotional Control in Youth With ADHD, and the Impact of Stimulant and Non-Stimulant Treatment (E. Heber, J. Halperin, B. Krone, A. Bedard, I. Ivanov & J. Newcorn)

Revision Details: This abstract was presented by first author Estrella Heber.

43. Hearps, S

Pediatric Evaluation of Emotions Relationships and Socialization (PEERS): Interim Analysis of Clinical Data (S. Hearps, M.H. Beauchamp, S. Hearps, J. Dooley, D. Davi d, J.R. Crawford, L. Turkstra, S. McDonald & V.A. Anderson)

Revision Details: This abstract was presented by co-author Victoria Anderson.

10:30–11:45 AM

84. Good, AJ

POSTER SESSION 11. COGNITION

A 34-Year Follow-Up Study on a Patient with Callosal Disconnection Neglect (A.J. Good, M.K. Harris, A. Falchook, R. Watson & K.M. Heilman)

Revision Details: This abstract was presented by co-author Ken Heilman.

WITHDRAWN ABSTRACTS

The following abstracts were *withdrawn* by their authors after they were accepted, and were *not presented* at the Forty-Fifth Annual Meeting in New Orleans:

Thursday, February 2, 2017

1:15–2:30 PM

POSTER SESSION 4. AGING & DEMENTIA 1

10. Chey, J **Social Network Size Moderates the Relationship between Age and Long-term Memory Score in Community-residing Elderly People over 80** (H. Kim, S. Kwak, Y. Youm & J. Chey)
34. Kinsella, GJ **Memory Groups for Older People: Who Gains?** (G.J. Kinsella, B. Ong & K. Pike)

5:15–6:30 PM

POSTER SESSION 5. POSTER SYMPOSIA, GENETICS, CROSS CULTURAL

26. McCabe, KL **Quantifying the Resolution of Spatial and Temporal Representation in Children With 22q11.2 Deletion Syndrome** (K.L. McCabe, C. Durdle, A. Popa, M. Cabaral, L. Wong, D. Harvey & T. Simon)
32. Asarnow, R **Indicators of Recovery/Repair and Neurodegeneration After Moderate-Severe TBI Pediatric Traumatic Brain Injury: Potential Mechanisms** (R. Asarnow, T. Babikian, E. Dennis, A. Olsen, E.A. Wilde & H.S. Levin)
33. Babikian, T **Whole Brain MR Spectroscopic Correlates of Microstructural Abnormalities and Functional Outcomes in Pediatric Moderate/Severe TBI** (T. Babikian, J. Alger, E. Dennis, C. Giza & R. Asarnow)
34. Dennis, E **Multi-Modal Imaging in Pediatric TBI: A Longitudinal Study** (E. Dennis, F. Rashid, M. Ellis, T. Babikian, J. Villalon-Reina, J. Faskowitz, R. Vlasova, Y. Jin, A. Olsen, R. Mink, C. Babbitt, J. Johnson, C. Giza, P. Thompson & R. Asarnow)
35. Wilde, EA **Structural Brain Alteration in Children and Adolescents after Moderate to Severe TBI** (E.A. Wilde)
36. Olsen, A **BOLD Hyper Activation after Pediatric Moderate-Severe Traumatic Brain Injury (msTBI) is Linked to Slow Inter-Hemispheric Transfer Time as Measured with Scalp Event-Related Potential** (A. Olsen, M. Ellis & R. Asarnow)
37. Levin, H **Reorganization of Social Information Processing After Moderate to Severe TBI in Adolescents** (H. Levin, M. Newsome, R. Scheibel & E.A. Wilde)
38. Sandroff, BM **Exercise and Cognition: A Multidisciplinary Approach** (B.M. Sandroff, J. Best, P. Tomporowski & J. DeLuca)
40. Sandroff, BM **Exercise and Cognition in Persons with Neurological Disorders** (B.M. Sandroff)

Friday, February 3, 2017

9:30–10:45 AM

POSTER SESSION 7. NEUROPSYCHIATRY

25. Reife, I **Self-Efficacy as a Moderator for the Relationship Between Theory of Mind and Social Problem Solving** (I. Reife, N. Russo-Ponsaran & C. McKown)

4:15–5:30 PM

POSTER SESSION 9. ABI & INTERVENTION

66. Troyanskaya, M **Community Functioning, Emotional Status, and Social Cognition Following Combat Deployment** (M. Troyanskaya, N.J. Pastorek, A. Walder, G.S. Vogt, N.J. Petersen & R.S. Scheibel)
67. Troyanskaya, M **Post-Deployment Community Integration and Participation** (M. Troyanskaya, N.J. Pastorek, N.J. Petersen, A. Walder, G.S. Vogt & R.S. Scheibel)
93. Poutiainen, E **Technology Assisted Rehabilitation for Persons With Dementia and Their Family Members – A Controlled intervention study** (E. Poutiainen, P. Pietilä, J. Nukari, J. Sarajuuri & S. Koskinen)

Saturday, February 4, 2017

9:00–10:15 AM

7. Dewey, D

21. Lundervold, AJ

22. Lundervold, AJ

10:00–11:30 AM

1. Ryan, NP

POSTER SESSION 10. PEDS 2

Quality of Life in Adolescents with Developmental Coordination Disorder and Attention Deficit/Hyperactivity Disorder (D. Dewey, A. Volkovinskaia & C. McMorris)

Early inattentive behavior predicts high school academic achievement across two culturally and diagnostically diverse samples (A.J. Lundervold, J. Meza, M. Hysing & S. Hinshaw)

Prediction of academic achievement in adolescents from teacher reports of inattention in childhood - a classification study (A.J. Lundervold, T. Bøe & A. Lundervold)

PAPER SESSION 15. TBI ACROSS THE LIFESPAN

Uncovering the Neural Correlates of Cognitive, Affective, and Conative Theory of Mind in Paediatric Acquired Brain Disorder: Evidence from Traumatic Brain Injury (N.P. Ryan, C. Catroppa, M.H. Beauchamp, R. Beare, T. Silk, K.O. Yeates & V.A. Anderson)
