THE JOURNAL OF LEGAL HISTORY

Editor **Andrew Lewis**,
University College, London, UK

The Journal of Legal History, founded by Albert Kiralfy in 1980, is the only British publication exclusively devoted to legal history. Whilst its main aim is the publication of good quality research on the sources and development of the Common Law, in the British Isles, in the Commonwealth and in the United States of America, it also carries articles in English on Roman Law and the European tradition and maintains a wide-ranging section of reviews of recent literature.

Recent and forthcoming articles

A small selection of new books from Butterworths

Cotterrell: The Sociology of Law

Second edition 1992 By **Roger Cotterrell**

Internationally acclaimed, this fine book represents a systematic introduction to the whole range of major theory and empirical research in the sociology of law.

Soft cover ISBN 0 406 51770 3 £20.95

Dewar: Law and the Family

Second edition 1992 By **John Dewar**, with **Stephen Parker**

Justice of the Peace "... This is a welcome addition. It is a competently written and attractively produced introduction to a complex and fast developing subject."

This new edition updates the work in key areas, not least the momentous changes introduced by the Children Act 1989.

Soft cover ISBN 0 406 00133 2 £18.95

Hughes: Environmental Law

Second edition 1992 By **David Hughes**

Hughes provides wide-ranging coverage of environmental problems, placing them in their social, political and economic contexts. The new edition seeks to do full justice to the new bodies of thought, seeing them within the context of rapidly developing EC and international systems of environmental regulation, as well as up-dating the reader on other relevant legislation and administrative guidelines.

Soft cover ISBN 0 406 50710 4 £23.95

Riddall: The Law of Trusts

Fourth edition 1992 By **JG Riddall**

Riddall combines a statement of the principles of the law of trusts with an explanation of various of the more complicated parts of the law. The author deals firstly with the creation of trusts and the various forms of trust which can exist, and secondly with trustees – their appointment, powers and duties – and beneficiaries. This new edition has been revised to take full account of all the developments in this field since the appearance of the last edition in 1987.

Soft cover ISBN 0 406 51840 8 £22.95

Fundamental Authority in Late Medieval English Law

NORMAN DOE

Shows how two sets of ideas about law and authority emerged in the late-medieval period, one stressing the moral basis of law, the other that laws are authoritative simply because they originate in the human will, causing tension in fifteenth-century English legal thought.

The Mansfield Manuscripts and the Growth of English Law in the Eighteenth Century

by James Oldham

Lord Mansfield was, according to John Marshall, "one of the greatest judges who ever sat on any bench." He was also the single most important figure in the shaping of modern Anglo-American private law. This monumental work surveys the man as well as the society of this pivotal period in legal history.
