

# Civility & Civil Law

## *Civil Tongues and Polite Letters in British America*

David S. Shields

"Brilliantly recovers the disappeared world of eighteenth-century belles lettres as a set of performances at coffeehouses, private societies, literary salons, clubs, colleges, balls, and gaming tables. . . . Permanently changes our understanding of eighteenth-century literary history and offers a powerful account of the fate of social pleasure in American culture." —Jay Fliegelman, Stanford University

"Learned and elegant, [the book] illuminates the world in which a provincial elite constituted sociability and in the process defined themselves." —Mary Kelley, Dartmouth College

Approx. 424 pp.  
\$49.95 cloth / \$17.95 paper  
Published for the Omohundro Institute of Early American History and Culture, Williamsburg, Virginia

## *Law, Land, and Family*

Aristocratic Inheritance in England, 1300 to 1800

Eileen Spring

"[A] lively and combative book. . . . It will be quite impossible for social or legal historians in the future to ignore the arguments presented here; the subject will never be quite the same again, and that is a real achievement."

—*Times Literary Supplement*

"A highly original and provocative book which overturns a great deal of accepted wisdom, with implications for legal, family, and women's history." —*Continuity and Change*

212 pp. \$16.95 paper
