Steven Haberman, Cass Business School, City University, UK
Moshe Milevsky, York University, Canada
J. Michael Orszag, Watson Wyatt, UK

The *Journal of Pension Economics and Finance (JPEF)* is the only academic journal focusing on the economics and finance of pensions and retirement income. The ageing population, together with the shrinking workforce, heralds a growing pensions crisis, which has become a key public policy issue in developed countries and elsewhere. *JPEF* provides a valuable and influential forum for international debate in this area.
