## IVth INTERNATIONAL SYMPOSIUM ON SCHIZOPHRENIA

Bern, Switzerland

Psychiatrische Universitätsklinik Bern  
September 16-18, 1993

Topic: Comprehensive Therapy of Schizophrenia.

Organiser: Prof. Hans D. Brenner.

Topics to be covered include factors influencing  
vulnerability: stressors/protectors; stabilisation/  
relapse prevention; concepts of illness/coping/  
episode prevention; social networks/social support  
and selected treatment strategies. The speakers  
(including those responsible for the workshops) come  
from Chile, England, Germany, The Netherlands,  
Sweden, Switzerland and the USA.

Information: Ms B. Rindlisbacher,  
Psychiatrische Universitätsklinik Bern,  
Bolligenstrasse 111,  
CH-3072 Ostermundigen/Bern

Telephone: 031 930 95 30  
Fax: 031 930 94 04

## University of Basel Faculty of Medicine

Applications are requested for the position  
of **Professor of Psychiatry** at the University  
Psychiatric Clinic (in succession to Prof. W.  
Pöldinger) starting October 1, 1994.

The candidate will be expected to have wide  
clinical and research experience, together with  
capacity for leadership and administration.

Applications from qualified men or women  
should be sent in writing with all relevant in-  
formation to Prof. G. Graber, Dean of the  
Medical Faculty, Hebelstrasse 25, CH 4031  
Basel, Switzerland.

## PSYCHODYNAMICS FOR PSYCHIATRISTS

### A Brief Introductory Course

A week's course of lectures and seminars in basic  
principles and their application to clinical psychiatry.  
Topics covered will include those relevant to the  
MRC Psych examinations, particularly bearing in  
mind the recent requirement for psychodynamic  
case formulations.

Date: Monday 6 September -  
Friday 10 September 1993.

Fee: £195.00.

Further details and application forms available from:

Pat Key,  
The Training Office,  
at the address below,  
tel: 071 435 7111,  
ext 2293.
