

Submission Guidelines

Submitted papers must not be under consideration by any other journal. Any form of annotation and referencing may be used for the original submission, but accepted papers must be revised to conform to *Utilitas* house style. A copy of the style sheet is available from the Editor on request. Authors are responsible for observing the laws of copyright when quoting or reproducing material, and for any reproduction fees involved. Authors submitting a paper do so on the understanding that, if accepted for publication, exclusive copyright in the paper shall be assigned to the publishers. In consideration for assignment of copyright, the publisher will supply the author with a pdf of their article. You will receive the Assignment of Copyright form for signature on acceptance of your paper.

All submissions, including book reviews, must be made through the Manuscript Central site: <http://mc.manuscriptcentral.com/uti>
