

General notes

DEPARTMENT OF OTOLARYNGOLOGY UNIVERSITY OF BRISTOL

COURSE IN SURGERY OF THE NOSE AND PARA-NASAL SINUSES

30 JUNE-4 JULY 1980 INCLUSIVE

THE above course is suitable for all levels and will consist of theoretical illustrations and demonstrations in all aspects of anatomy, physiology, pathology, investigation and treatment of nasal and para-nasal sinus conditions.

Recognized authorities will be guest speakers.

For further information apply to:

M. V. Griffiths, F.R.C.S.
Consultant ENT Surgeon,
Bristol Royal Infirmary,
Bristol BS2 8WH.

THE SECOND CAMBRIDGE COURSE IN ADVANCED OTOLARYNGOLOGY

3-8 JULY 1980

THE Second Course will be held at Addenbrooke's Hospital, Cambridge, from 3 July to 8 July 1980. Once again the aim is to provide an up-to-date account of Otolaryngology as practiced in the United Kingdom at the present time. All major areas of the speciality will be included in the programme, which, it is hoped, will appeal to those in training and to more senior surgeons both from the United Kingdom and from abroad. Accommodation and meals have been arranged at Peterhouse and Corpus Christi College, two of the oldest Cambridge Colleges.

Speakers: J. C. Ballantyne, Professor N. M. Bleehen, B. H. Colman, P. D. M. Ellis, A. P. Freeland, Professor I. Friedmann, W. P. R. Gibson, Professor D. F. N. Harrison, J. W. P. Hazell, R. G. Macbeth, P. McKelvie, R. Pracy, L. A. Price, J. L. W. Wright.

Course Fee (including accommodation and all meals) £160.

Further details may be obtained from the Course Secretary.

P. D. M. Ellis,
Ear, Nose and Throat Department,
Addenbrooke's Hospital,
Hills Road,
Cambridge CB2 2QQ.

(The Course is recognized by the Advanced Post-Graduate Training Scheme)
