# Nutrition Research Reviews

Published on behalf of The Nutrition Society

**Editor-in-Chief**

Graham C. Burdge, University of Southampton, UK

*Nutrition Research Reviews* offers a comprehensive overview of nutritional science today. By distilling the latest research and linking it to established practice, the journal consistently delivers the widest range of in-depth articles in the field of nutritional science and has done so for the past twenty-one years. It presents up-to-date, concise and critical reviews of key topics in nutrition science, advancing new concepts and hypotheses that encourage the exchange of fundamental ideas on nutritional well-being in both humans and animals.
