*The Journal of Hellenic Studies*, recognized at home and abroad as the leading British organ of Greek archaeology, contains articles by first authorities, numerous illustrations and reviews of recent books of importance to classical studies and is at present published yearly as a single volume, which members receive free of charge, the price to the public being two guineas.

The Annual Subscription to the Society is one guinea. The Composition Fee for life-membership is ten guineas for persons over fifty years of age and fifteen guineas for others. The subscription for Libraries and Student Associates is one guinea and half a guinea respectively. There is no entrance fee.

*Applications for membership or inquiries about the Society should be addressed to the Secretary at the above address.*
