Reviews	56
The College	57
The College's Medals and Prizes	
Annual Elections	
News Items	59
Forthcoming Events	59

Notes for Contributors

The Editors welcome articles of a general interest to psychiatrists. Two thousand words is a good length; longer articles, however, will be considered. Tables, diagrams and extensive references should generally not be included. Please submit three copies, typed double space. Correspondence on subjects of topical interest is also welcome.

The views expressed in articles published in the *Bulletin* (except official College material) are the author's own and do not necessarily represent College policy.
