

## ARE YOU STILL READING SOMEONE ELSE'S COPY OF ISIS?

IF SO, now is the time to enter your own subscription. *Isis*, the official journal of the History of Science Society, is the leading journal in the field.

*Isis* keeps over 3300 subscribers in nearly fifty countries up to date on all developments in the history of science with articles, critiques, documents and translations. Along with these, its notes and correspondence and news of the profession provide useful information to professionals, educators, scholars and graduate students.

Lively essay reviews and over 200 book reviews a year cover every specialty in the history of science, technology and medicine.

In addition to your four quarterly issues of *Isis* you will also receive:

- Membership in the History of Science Society.
- The annual *Critical Bibliography* listing over 3500 publications in the history of science, technology and medicine from the preceding year.
- The *Triennial Guide* containing directories of members and scholarly programs and information on 90 journals in the field.
- The quarterly *Newsletter* providing current news of the profession, including employment opportunities and approaching meetings.
