*Effects of Contact with Europeans on the Pondo of
South Africa*

By MONICA HUNTER

'To me, who have been in contact with the native mind all my life, this book is a fascinating account of a native tribe, full of curious facts and sidelights not only on the native mind but on human nature as a whole.' *From the Foreword by General Smuts.*

Jabo Proverbs

By GEORGE HERZOG

(Assisted by C. G. BLOOAH)

10s. 6d. net; \$2.50 in U.S.A.

For the Jabo, quoting proverbs is an art, a game, a running commentary on life. It is also a potent social and legal instrument. Thus their maxims, given with parables on which they are based, and with the natives' own illustrations of their use, evoke a vivid picture of life in this Liberian tribe.
