CORRIGENDUM

Scale effects on conventional and intercooled turbofan engine performance-CORRIGENDUM

A. Rolt, V. Sethi, F. Jacob, J. Sebastiampillai, C. Xisto, T. Grönstedt and L. Raffaelli

In the article by Rolt[1], there was an error in Equation (2). The correct equation is republished here.

$$W_c = \frac{W_{cref}\left(T_{grel} - T_{cref}\right)\left(W_4/W_{4ref}\right)^{0.65}}{\left(T_{gref} - T_c\right)} \quad\quad \dots (2)$$
