## The American Dream In History, Politics, and Fiction

Cal Jillson

“Politicians and salespeople seek to persuade us that the American Dream is robust, attractive, and attainable by (almost) all; scholars and novelists fear being taken for suckers so tend to see the American Dream as fragile, fraught, and attainable by few. Cal Jillson stands between these poles—he takes the ideology of the Dream seriously, probes its literary skeptics, and locates his analysis in history as well as the contemporary political economy. There is something here for every reader, and a rich mélange for all.”—Jennifer Hochschild, author of *Facing Up to the American Dream*

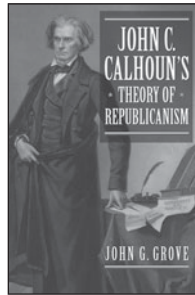

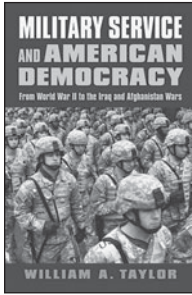

368 pages, Cloth \$45.00, Paper \$22.95, Ebook \$22.95

## Military Service and American Democracy From World War II to the Iraq and Afghanistan Wars

William A. Taylor

“*Who serves? Who fights?* As William Taylor makes clear in this exceptionally fine book, the answers to these two questions speak directly to the condition of American democracy. Here is a timely reminder that in our own day the questions themselves have lost none of their prior salience and may, if anything, be more important than ever.”—Andrew J. Bacevich, author of *America’s War for the Greater Middle East: A Military History*

302 pages, 25 photographs, Cloth \$34.95, Ebook \$34.95

## John C. Calhoun’s Theory of Republicanism

John G. Grove

“John Grove argues persuasively that Calhoun’s critique of corruption, political parties, and executive power was rooted in a classically republican conception of politics. He also maintains that Calhoun’s commitment to slavery contradicted what was best in his republican vision. *John C. Calhoun’s Theory of Republicanism* sheds fresh light on Calhoun’s thought and invites renewed debate on his defense of slavery.”—James H. Read, author of *Majority Rule versus Consensus: The Political Thought of John C. Calhoun*

224 pages, Cloth \$37.50, Ebook \$37.50

## Landmark Law Cases and American Society

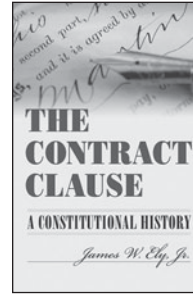

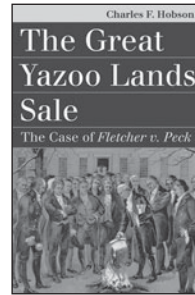

Peter Charles Hoffer, N.E.H. Hull, and William James Hull Hoffer, series editors

## The Great Yazoo Lands Sale

The Case of *Fletcher v. Peck*  
Charles F. Hobson

“One of our nation’s leading scholars offers a cohesive study on one of the Marshall Court’s three most important cases—*Fletcher v. Peck*. Perceived by some as a ‘feigned case,’ Hobson reveals the case’s legitimacy.”—William E. Nelson, author of *The Colonial Law in America and Marbury v. Madison: The Origins and Legacy of Judicial Review*

248 pages, 1 map, Cloth \$45.00, Paper \$19.95, Ebook \$19.95

## The Contract Clause A Constitutional History

Earl M. Maltz

“Students of the modern Constitution pay little attention to the Contract Clause, yet for more than 150 years it was one of the most litigated issues before American courts. James Ely has done a masterful job in not only analyzing the development of Contract Clause jurisprudence, but does so in a way that will be understandable by lay persons as well as scholars. This will be the definitive book on this subject for many years to come.”—Melvin I. Urofsky, author of *Dissent and the Supreme Court: Its Role in the Court’s History and the Nation’s Constitutional Dialogue*

262 pages, 18 photographs, Cloth \$39.95, Ebook \$39.95

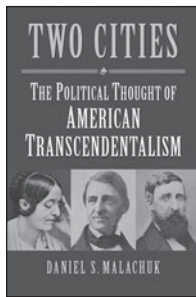

## Branding Hoover’s FBI How the Boss’s PR Men Sold the Bureau to America

Matthew Cecil

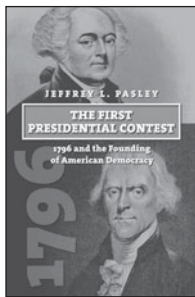

“This unique, creative, and excellent study makes a significant contribution to the literature on the FBI. Cecil’s brilliant mining of FBI personnel files has resulted in a fascinating, richly detailed, and wholly satisfying look at the inner workings of Hoover’s FBI. An outstanding work on an important subject.”—Douglas Charles, author of *Hoover’s War on Gays: Exposing the FBI’s “Sex Deviates” Program*

352 pages, 16 photographs, Cloth \$29.95, Ebook \$29.95

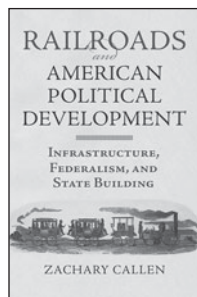

**Two Cities**  
**The Political Thought of**  
**American Transcendentalism**  
 Daniel S. Malachuk

“Daniel Malachuk has written a powerful book. Placing the Transcendentalists squarely within the Augustinian tradition, he provides a compelling reading of Fuller, Emerson, and Thoreau, demonstrating not only their often underappreciated originality but also their significant challenge to the main currents of American liberal democratic theory.”—**Bob Pepperman Taylor**, author of *America’s Bachelor Uncle: Thoreau and the American Polity*  
 312 pages, 6 illustrations, Cloth \$39.95, Ebook \$39.95

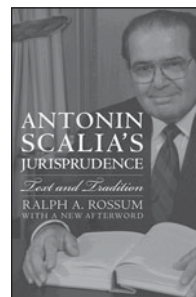

**The First Presidential Contest**  
**1796 and the Founding of**  
**American Democracy**  
 Jeffrey L. Pasley

“Rich in lively characters, fiery rhetoric, dark intrigue, and cunning spin, the presidential election of 1796 helped to create American partisan politics on a national scale. With wry humor and a keen sense of political reality, both past and present, Pasley offers the closest and best examination of our Founders as politicians who slyly practiced what they piously preached against.”  
 —**Alan Taylor**, Pulitzer Prize-winning author of *William Cooper’s Town*  
 528 pages, 19 photographs, Cloth \$45.00, Paper \$28.95, Ebook \$28.95

**Railroads and**  
**American Political**  
**Development**  
**Infrastructure, Federalism,**  
**and State Building**  
 Zachary Callen

“We know a lot about American national state building. But Callen tells a story that puts the states and federalism front and center. It’s a refreshing perspective on how national capacities are built through the actions and inactions of other levels and branches of government.”—**Patricia Strach**, Associate Professor of Political Science and Public Administration & Policy, University at Albany  
 270 pages, 26 illustrations, Cloth \$39.95, Ebook \$39.95

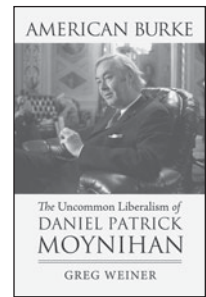

**Antonin Scalia’s**  
**Jurisprudence**  
**Text and Tradition**  
**With a New Afterword**  
 Ralph A. Rossum

“In this masterful study, Rossum not only elucidates Scalia’s theory of textualism and originalism, but shows how it plays out in a wide range of situations. Makes a persuasive case that Scalia’s influence—like that of other great dissenters—may well reach its height among the next generation of lawyers.”—**Mary Ann Glendon**, author of *The Transformation of Family Law*  
 308 pages, Paper \$22.95, Ebook \$22.95

**The American**  
**Political Pattern**  
**Stability and Change,**  
**1932–2016**  
 Byron E. Shafer

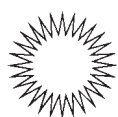

“We have here an original ordering of American political history since 1932 that makes good sense. Shafer brings together evidence on election results, roll call voting, and party organization to craft his case. There is wealth of historical information presented with a deft touch.”—**David R. Mayhew** is Sterling Professor of Political Science at Yale University  
 288 pages, 18 illustrations, Cloth \$45.00, Paper \$22.95, Ebook \$22.95

**American Burke**  
**The Uncommon Liberalism of**  
**Daniel Patrick Moynihan**  
 Greg Weiner

“Like James Madison, Moynihan was the most interesting public intellectual of his day and he refined his systematic political thinking during decades in the practice of politics. Weiner’s masterful exegesis demonstrates that Moynihan’s robust liberalism was informed, but never deformed, by his Burkean sense of the purposes and limits of politics.”—**George F. Will**, columnist for *Washington Post*  
 208 pages, Cloth \$29.95, Ebook \$19.95

**NEW IN PAPERBACK**

**University Press of Kansas**

# Politics & International Relations

Books and Journals from  
Cambridge University Press

The politics list at Cambridge is one of unparalleled quality and range.

Our books list routinely tops surveys of political scientists for the calibre of its output, which includes field-defining series such as Cambridge Studies in Comparative Politics, Cambridge Studies in International Relations and Cambridge Texts in the History of Political Thought.

*American Political Science Review* and *International Organization* are widely recognised as the leading generalist journals in political science and international relations, while the likes of *British Journal of Political Science* and *World Politics* remain essential reading for researchers worldwide.

For students and scholars across the breadth of political enquiry, Cambridge is the resource of choice.

# 2017 APSA ANNUAL MEETING

AUGUST 31 - SEPTEMBER 3 • SAN FRANCISCO, CA

## THE QUEST FOR LEGITIMACY: ACTORS, AUDIENCES, AND ASPIRATIONS

Join us August 31 – September 3, 2017, in San Francisco for the 113th APSA Annual Meeting & Exhibition to address the latest scholarship in political science while exploring the 2017 theme, “The Quest for Legitimacy: Actors, Audiences, and Aspirations.” APSA and the 2017 Program Chairs Amaney A. Jamal, Princeton University and Susan Hyde, University of California, Berkeley, look forward to your participation in panels and sessions prepared by APSA’s 55 divisions and numerous related groups at the 2017 APSA Annual Meeting.

Visit us online at [www.apsanet.org/annualmeeting](http://www.apsanet.org/annualmeeting) for ongoing updates and information about the meeting.
