

Radiocarbon Measurements: Comprehensive Index, 1950-1965

CONTENTS

Introduction	1
Published Reference Code	3
A	Arizona, Geochronology Laboratories
B	University of Bern, C-14 Laboratory
Bln	Berlin C-14 Laboratory (Deutsche Akademie der Wissenschaften)
BM	British Museum, Research Laboratory
C	University of Chicago, Institute for Nuclear Studies
D	Trinity College, Dublin
G.K	Gakushuin University
Cit	Citrus-Verette
Cl	Geochronological Laboratory
GrN	Groningen-Natuurkundig Laboratorium der Rijks-Universiteit
GSC	Geological Survey of Canada, Radiocarbon Dating Laboratory
GX	Geochron Laboratories, Inc.
Hv	Hannover, Niedersächsisches Landesamt f. Bodenforschung
H	Heidelberg, II Physikalisches Institut der Universität
I	Isotope, Inc.
VIC	Instituto Venezolano de Investigaciones Cientificas
K	Copenhagen Carbon-14 Laboratory, National Museum
L	Lamont Geological Observatory, Columbia University
Le	Laboratory of Archaeological Technology, Leningrad
LJ	University of California, San Diego
Lv	L'éverlé Louvain, Centre de Physique Nucléaire
M	University of Michigan
Ma	University of Manitoba
MC	Monaco, Centre Scientifique de Monaco
ML	University of Miami, Marine Laboratory
MP	Magnolia Petroleum Company
N	RIKEN (Tokyo), Institute of Physical and Chemical Research
NPL	National Physical Laboratory
NSW	New South Wales, Department of Nuclear and Radiation Chemistry
NZ	New Zealand, Institute of Nuclear Science
O	Humble, Esso Production Research Company
OWU	Ohio Wesleyan University
OX	U.S. Department of Agriculture, Sedimentation Laboratory
P	University of Pennsylvania, Applied Science Center for Archaeology
Pi	Pisa, Laboratorio de Geologia Nucleare dell'Universita
PIC	Packard Instrument Company, Inc.
Q	Cambridge, University Sub-Department of Quaternary Research
R	University of Rome, Carbon-14 Dating Laboratory
S	University of Saskatchewan, Department of Chemistry
Sa	Sarney, Centre des Faibles Radioactivites
SI	Smithsonian Institution, Radiation Biology Laboratory
SL	Sharp Laboratories Division, Beckman Instruments, Inc.
SM	Socony Mobil Oil Corporation, Inc.
SR	Salisbury, Rhodesia, University College, Department of Chemistry
St	Stockholm, Radioactive Dating Laboratory
Su	Geological Survey of Finland
T	Trondheim, Norwegian Institute of Technology
TAM	Texas A & M University, Dept. of Oceanography and Meteorology
TBN	Texas Bio-Nuclear (Kaman Instruments Co.)
TF	Tata Institute of Fundamental Research
Tx	University of Texas, Radiocarbon Dating Laboratory
U	University of Uppsala, Institute of Physics
UCLA	University of California, Los Angeles
UW	University of Washington, Department of Chemistry
W	U.S. Geological Survey
WIS	University of Wisconsin, Center for Climatic Research
Y	Yale University Radiocarbon Laboratory
