NOW READY.

Crown 8vo, cloth, pp. lxxviii. and 314, price 6s.

C E T Y W A Y O

AND HIS WHITE NEIGHBOURS;

OR, REMARKS ON RECENT EVENTS IN ZULULAND, NATAL, AND THE TRANSVAAL.

BY

H. RIDER HAGGARD,

Author of "King Solomon's Mines," "She," &c. &c.

Second Edition, with a New Introduction.

The object of this work is shortly—(1.) To give a true history of the events attendant on the annexation of the Transvaal, which act has so frequently been assigned to the most unworthy motives, and has never yet been fairly described by any one who was in a position to know the facts; (2.) To throw as much publicity as possible on the state of Zululand, resulting from our recent settlement in that country; (3.) To show all interested in the Native Races what has been the character of our surrender in the Transvaal, and what its effect will be on our abandoned native subjects living in that country.

In the Introduction to this Edition Mr. Haggard adds a brief summary of such important events as have occurred since first publishing his work, bringing the record down to the present date.

London: TRÜBNER & CO., Ludgate Hill.

NOW READY.

8vo, cloth, pp. xiv. and 247, price 10s. 6d.

BULGARIA PAST AND PRESENT.

HISTORICAL, POLITICAL AND DESCRIPTIVE.

BY

JAMES SAMUELSON,

Of the Middle Temple, Barrister-at-Law, Author of "Roumania Past and Present," &c.

Illustrated with a Map of United Bulgaria, Colotype Views and Portraits from seventeen Photographs by Karastojanoff of Sofia, Cavra of Philippopolis, and O Marcolesco of Tirnova, and numerous Woodcuts and Vignettes Engraved from Original Sketches by the Author.

Part I. HISTORICAL. Part II. BULGARIA, TO-DAY.

SATURDAY REVIEW.—"His descriptive narrative, which is well illustrated by woodcuts and colotype plates, is brightly written, and includes vivid pictures of peasant life, the flowery region of Kezaulik, the Shipka Pass, Philippopolis and Tirnova."

GLASGOW HERALD.—"Mr. Samuelson's admirable book is much improved by good illustrations and photographic reproductions."

SCOTSMAN.—"It combines the essential qualities of a popular history and a book of travel. Illustrated by a series of photographs of men and places, which add considerably to its value."

ATHENÆUM.—"Most excellent in substance, and thoroughly readable. . . . Mr. Samuelson gives the earlier portion of his volume to an easy historical survey of the Bulgarian past, followed by an accurate account of the reign of Prince Alexander, the Russian intrigues, the Servian war, and the accession of Prince Ferdinand. . . . Our author's last chapter upon the present condition of Bulgarian trade and finance, and his chapter on travelling, describing the most interesting spots within the country, are full of sympathy and of insight; yet he gives the reader the impression of being a perfectly fair writer."

LIVERPOOL REVIEW.—"Tersely and vigorously written, and is crammed with facts laboriously collected from the most reliable records in existence, and contains the personal experiences of the author, who visited Bulgaria a few months ago; it is one of the most important and valuable works of the season."

SCOTTISH LEADER.—"May be cordially commended to all who desire to be acquainted with the real nature of the problems now awaiting solution in that interesting corner of Europe."

DAILY CHRONICLE.—"An excellent summary, which will enable all who read it to grasp the points of Bulgarian history bearing upon the present crisis."

ARMY AND NAVY GAZETTE.—"Mr. Samuelson has brought together as much of history as is necessary for the general elucidation of his subject, and he gives a plain and unvarnished account of the latest political movements in the Balkan Peninsula, and of the condition and resources of the country."

MORNING POST.—"It is refreshing to find a writer who remembers that there are other things in history worth recording besides those that have happened in the immediate past."

LIVERPOOL COURIER.—"Mr. Samuelson concentrates into his works a vast amount of information that may be depended upon; and while his facts about the history, politics, natural and other features of this important region of Europe are reliable, his opinions and aspirations will commend themselves to the freedom-loving British public. . . . His book is marked by an evident desire to state the truth and nothing but the truth. . . . Altogether the volume is very interesting, not only to those who desire to obtain a good grip of the Eastern Question, but also to those who like to know something about other countries and peoples besides their own."

NOW READY.

NEW VOLUME OF "TRUBNER'S ORIENTAL SERIES."

Post 8vo, cloth, pp. xii. and 510, price 16s.

FOLK-TALES OF KASHMIR.

BY

The Rev. J. HINTON KNOWLES, F.R.G.S., M.R.A.S., &c.

(C.M.S.) Missionary to the Kashmiris.

EXTRACT FROM PREFACE.—*Kashmir, as a field of folk-lore literature is, perhaps, not surpassed in fertility by any other country in the world; and yet, while every year witnesses the publication of books on the subject from Bengal, Bombay, Madras, Panjab, and other parts, this field, ripe for the harvest, has remained almost un-gleaned.*

Many of these tales are, probably, purely Kashmiri in origin, while others are undoubtedly variants of popular tales current in India and other parts, which have been adapted and modified to suit the language, style of thought, and social usages of the country. To European folk-tales, also, several of these stories will be found to have a great resemblance, while many of the little stories mixed up in the tales, and quoted generally to explain the situation of the hero or heroine will be recognised at once as variants of tales extant in France, Germany, Greece, Russia, England, and other countries.

THE ENGLISH AND FOREIGN PHILOSOPHICAL LIBRARY.

Post 8vo, cloth, pp. xx. and 320, price 7s. 6d.

THE PHILOSOPHY OF MUSIC.

Being the Substance of a Course of Lectures delivered at the Royal Institution of Great Britain, in February and March, 1877.

BY

WILLIAM POLE, F.R.S., Mus. Doc. Oxon.

One of the Examiners in Music to the University of London; Knight Commander of the Japanese Imperial Order of the Rising Sun.

SECOND EDITION, REVISED.

In this edition some amendments and additions have been introduced, and some changes have been made in the mode of speaking of the æsthetics of the art. This subject, or at least the most important part of it, is now becoming, under the name of Musical Psychology, a special science so elaborate and difficult that it would be out of place to undertake, in a general technical work of this kind, any discussions connected with it. In the matter of æsthetics, therefore, the scope of this treatise goes no farther than is necessary to explain the nature and origin of the ordinary forms and rules of musical structure.

WORLD.—"Will be welcome to all who take an interest in a subject which in it is treated with considerable learning and impartiality."

NOW READY.

8vo, cloth, pp. 118, price 7s. 6d.

THE OLD BAMBOO-HEWER'S STORY.

(TAKETORI NO OKINA NO MONOGATARI.)

The Earliest of the Japanese Romances, written in the Tenth Century.

Translated, with Observations and Notes,

BY

F. VICTOR DICKINS.

With Three Chromo-lithographic Illustrations taken from Japanese Makimono.

TO WHICH IS ADDED

The Original Text in Roman, with Grammar, Analytical Notes, and Vocabulary.

Royal 16mo, cloth, pp. vii. and 304, price 3s. 6d.

LOTUS AND JEWEL.

CONTAINING

"IN AN INDIAN TEMPLE," "A CASKET OF GEMS,"
"A QUEEN'S REVENGE."

WITH OTHER POEMS.

BY

Sir EDWIN ARNOLD, M.A., K.C.I.E., C.S.I.

Author of "The Light of Asia," &c. &c.

TIMES OF INDIA (Bombay).—"No other poet from our cold grey world has ever been able to paint Indian sunlight and the gorgeous Indian forests, and the fine fret-work of Indian temples; or to describe the soft manners and burning passions of a tropical people, whose civilisation, though totally alien from ours, is older and, perhaps, more widely spread. Sir Edwin Arnold, with all the gifts of a skilled painter in words, has the poet's highest gift of all—sympathy."

UNIFORM EDITION OF

Sir EDWIN ARNOLD'S POETICAL WORKS

In Seven Volumes, crown 8vo, uniformly bound in cloth, price £2 2s.

Sold only in Sets.

THE LIGHT OF ASIA; or, The great Re-nunciation.	THE SECRET OF DEATH. From the Sanskrit.
INDIAN POETRY: The Indian Song of Songs, &c.	THE SONG CELESTIAL; or, Bhagavad-Gîtâ. From the Sanskrit.
PEARLS OF THE FAITH; or, Islam's Rosary.	LOTUS AND JEWEL. With Translations from the Sanskrit.
INDIAN IDYLLS. From the Sanskrit.	

Crown 8vo, cloth, pp. 62, price 1s. 6d.

DEATH—AND AFTERWARDS.

Reprinted from the "Fortnightly Review" of August, 1885, with a Supplement.

BY

Sir EDWIN ARNOLD, M.A., K.C.I.E., C.S.I.

Author of "The Light of Asia," &c.

ABERDEEN DAILY FREE PRESS.—"This subtle and suggestive essay on the immortality of the soul, by one of the most cultured of living poets . . . is inspired by a pure and emphatic faith, based on thorough scholarship and poetic insight."

BRITISH WEEKLY.—"Nothing could surpass these few pages in felicity of statement or in persuasiveness."

MORNING POST.—"Its views are novel and often consoling, and the manner in which they are expressed has the refined grace of all which proceeds from Sir Edwin Arnold's pen."

GLOBE.—"There is much matter for reflection in these thoughtful pages."

ECHO.—"Profoundly interesting."

MANCHESTER GUARDIAN.—"A notable essay on the problem of immortality."

BRISTOL MERCURY.—"There are, undoubtedly, many original and quaint ideas set forth in the book."

NOW READY.

Crown 8vo, cloth, pp. vi. and 294, price 5s.

THE PHILOSOPHY OF WORDS.

A POPULAR INTRODUCTION TO THE SCIENCE OF LANGUAGE.

BY

FEDERICO GARLANDA, Ph.D.*Contents :*

INTRODUCTION.
SOUNDS AND LANGUAGE.
THE ENGLISH LANGUAGE.
COMPARATIVE GRAMMAR.
OUTLINES OF THE HISTORY OF THE SCIENCE
OF LANGUAGE.

THE QUESTION OF THE ORIGIN OF LAN-
GUAGE.
COMPARATIVE MYTHOLOGY.
LANGUAGES AND RACES — LOCAL AND
FAMILY NAMES.
LANGUAGE AND EDUCATION.

SCOTSMAN.—"Likely to interest any reader in its subject. It is never technical, but always simple, intelligible, and straightforward. Though it never goes very deeply into the matters discussed — sounds and language, comparative grammar, comparative mythology, the origin of language, and the like—it condenses into small space a great deal of information, and puts the results of more erudite works into a form which will attract general readers. The book is admirably well fitted to be put into the hands of young students who are beginning work in this interesting branch of science."

Crown 8vo, cloth, pp. vi. and 225, price 5s.

THE FORTUNES OF WORDS:*LETTERS TO A LADY.*

BY

FEDERICO GARLANDA, Ph.D.*Contents :*

INTRODUCTION.
THE SCIENCE OF LANGUAGE.
ETYMOLOGY AND HISTORY OF WORDS.
METHOD AND FACTS, ANALYSIS AND COM-
PARISON.
ROOTS: THEIR GROWTH AND DERIVATION.
WORDS DERIVED FROM LOCAL OR PERSONAL
NAMES.
APPLICATION OF LINGUISTIC TO PRE-HIS-
TORIC STUDIES.

THE NEW METHOD OF LANGUAGE STUDY.
THE DEVELOPMENT OF ETHICAL FEELING
STUDIED IN WORDS.
THE COLOUR-SENSE AND THE NAMES OF
COLOUR.
THE SUPERSTITIONS OF LANGUAGE.
WHY WORDS CHANGE.
SLANG.
SYNONYMS.
LANGUAGE AND FOLK PSYCHOLOGY.

SCOTSMAN.—"Its erudition is sound, and the subject loses nothing in the writer's hands by being made interesting to those of no specially scientific turn of mind. No better book could be recommended to a young reader who wishes to get a general view of this subject before beginning to work seriously upon the more elaborate treatises. And the book will be read with unqualified pleasure by amateurs of the science."

PALL MALL GAZETTE.—"A popular treatise upon the science of language in the form of twenty letters addressed to a lady, chapters which discuss the subject of roots, the derivation and meaning of familiar words, and the application of linguistic to prehistoric studies, together with chapters on slang, synonyms, &c."

BOOKSELLER.—"There are few things more really entertaining than to follow out the derivation and history of words. The most ordinary and commonplace terms in use have their origin, rise and change of fortune, sometimes most curiously opposite to their primary meaning."

NOW READY.

Demy 8vo, cloth, pp. xxxii. and 420, price £1 5s.

SOCIAL HISTORY OF THE RACES OF MANKIND.

SECOND DIVISION: PART II.

OCEANO-MELANESIANS.

BY

A. FEATHERMAN.

SCOTSMAN.—“Probably no other work contains such a mass of information in such a compact and readable form; and his book will possess all the more interest since it deals with many people who, in consequence of the recently-developed colonising policy of Germany and France, have come somewhat into the ken of European politics.”

Crown 8vo, cloth, pp. xxii. and 338, price 6s.

WIT, WISDOM, AND PATHOS,

From the Prose of

HEINRICH HEINE,

WITH A FEW PIECES FROM THE “BOOK OF SONGS.”

Selected and Translated by

J. SNODGRASS.

Second Edition, thoroughly Revised.

8vo, cloth, pp. xv. and 95, with Folding Table, price 4s. 6d.

THE EVOLUTION OF THE CHINESE LANGUAGE.

AS EXEMPLIFYING THE ORIGIN AND GROWTH OF HUMAN SPEECH.

BY

JOSEPH EDKINS, D.D.

Author of “Religion in China,” “Chinese Buddhism,” “Grammar of the Mandarin Language,” “China’s Place in Philology,” &c.

Reprinted from the Journal of the Peking Oriental Society, 1887.

Crown 8vo, cloth, pp. vi.—70, price 1s. 6d.; or paper covers, 1s.

Crown 8vo, cloth, pp. viii. and 119, price 5s.

THE INTERNATIONAL LANGUAGE. HANDBOOK OF VOLAPÜK.

BY

CHARLES E. SPRAGUE,

Member of the Academy of Volapük, President of the Institute of Accounts, U.S.

This book contains a complete exposition of the grammatical structure of Volapük, somewhat on the plan of the "Simplified Grammars," and strictly within the comprehension of persons understanding English grammar but without being acquainted with other languages; grammatical analysis; a vocabulary of words; copious exercises, with hints and cautions, and key are also given.

Volapük has made, as yet, comparatively little progress in English-speaking countries, but the reason for this is the want of proper text books in the English language, not translations from foreign works, but books written expressly for the purpose, and having in view the wants and difficulties of an Englishman. Mr. Sprague's work fills this want.

SCOTSMAN.—"The international language is an easy one to learn, and, consequently, easy to teach; but Mr. Sprague does not deserve the less credit for the admirable manner in which its simple rules are here expounded. The manual is prepared with special reference to the requirements of commercial correspondence, and provides ready means of acquiring this artificial speech."

Demy 8vo, cloth, pp. vi. and 120, price 5s.

VERNER'S LAW IN ITALY:

AN ESSAY IN THE HISTORY OF THE INDO-EUROPEAN SIBILANTS.

BY

R. SEYMOUR CONWAY,

Gonville and Caius College, Cambridge; Waddington Classical Scholar in the University of Cambridge; Exhibitioner in Latin in the University of London.

With a Dialect Map of Italy by E. HEAWOOD, B.A., F.R.G.S.

ACADEMY.—"Deserves a cordial welcome, not only for what it contains, but also as a promise of excellent work in the future."

NOTES AND QUERIES.—"His investigation is strictly scientific, and he has evidently mastered the literature of his subject."

Demy 8vo, pp. viii. and 360, cloth, price 18s.

ORIGIN OF THE GREEK, LATIN AND GOTHIC ROOTS.

BY

JAMES BYRNE, M.A.

Dean of Clonfert;

Ex-Fellow of Trinity College, Dublin;

Author of "General Principles of the Structure of Language."

SATURDAY REVIEW.—"To discuss this book in detail would be a pleasant scientific game, but it would not be suitable to these columns. Enough has been said about the origin of roots to show that it is a clever, suggestive and perhaps important work. We believe the learning to be generally accurate."

SCOTSMAN.—"The elaborate classification of words and roots forms a solid contribution to the literature of comparative philology. . . . The well-compiled series of full indices makes the work easily available for reference, and adds considerably to its value."

NOW READY.

Crown 8vo, pp. 124, cloth, 5s.

KABAIL VOCABULARY.

Supplemented by Aid of a New Source.

BY

FRANCIS WILLIAM NEWMAN,Emeritus Professor of University College, London; formerly Fellow of Balliol College;
and now M.R.A.S.

Demy 8vo, cloth, pp. xxiv. and 718, with Table of Concords, price £1 1s.

**DICTIONARY AND GRAMMAR OF THE
KONGO LANGUAGE,**AS SPOKEN AT SAN SALVADOR, THE ANCIENT CAPITAL OF THE
OLD KONGO EMPIRE, WEST AFRICA.

Compiled and Prepared for the Baptist Mission on the Kongo River, West Africa,

BY

The Rev. W. HOLMAN BENTLEY,

Missionary of the Baptist Missionary Society on the Kongo.

With an Introduction by **R. N. CUST**, Hon. Secretary of the Royal Asiatic Society.

RECORD.—“This is one of the noble works for which science has to thank missionaries and missionary societies. . . . And now a missionary, unknown to fame, has solved the linguistic problem, and left to after ages an enduring monument of industry, patience and acumen. . . . Mr. Bentley acquired his knowledge in the field, and systematized it by patient study in the closet. His is no surface sketch, but a thorough ‘ingoin,’ as the Germans express it, a thrashing out of the difficulties of the words, the word changes, and the word locatings.”

Post 8vo, cloth, pp. viii. and 97, with Four Tables, price 6s.

A LANGUAGE-STUDY BASED ON BANTU;

OR, AN INQUIRY INTO THE LAWS OF ROOT-FORMATION,

The Original Plural, the Sexual Dual, and the Principles of Word-Comparison;

With Tables Illustrating the Primitive Pronominal System restored in the African Bantu Family of Speech.

BY

the Rev. F. W. KOLBE,Of the London Missionary Society, formerly of the Rhenish Herero Mission,
Author of “An English-Herero Dictionary.”

8vo, paper, pp. 56, price 1s.

The LIQUOR TRAFFIC in BRITISH INDIA;

OR, HAS THE BRITISH GOVERNMENT DONE ITS DUTY?

An Answer to Venerable Archdeacon Farrar and Mr. Samuel Smith, M.P.

BY

ROBERT NEEDHAM CUST, LL.D.

Late Member of H.M. Indian Civil Service, Member of the Committees of the British and Foreign Bible Society and the Church Missionary Society, Honorary Secretary of the Royal Asiatic Society, and J. P. for the County of Middlesex and Liberty of Westminster.

NOW READY.

8vo, cloth, pp. vii. and 632, price 15s.

A POPULAR HISTORY OF THE MEXICAN PEOPLE.

BY

HUBERT HOWE BANCROFT.

WITH NUMEROUS ILLUSTRATIONS.

EXTRACT FROM PREFACE.—“*This volume is a narrative more particularly of what befell the Mexican people from first to last during their four centuries or so of recorded history, at the same time not omitting the mythological epoch preceding it.*”

“*The drier details of pacification, occupation, war, government, Colonial policy and official bickerings, without which indeed it seems impossible for man to make much progress, have been for the most part omitted; nevertheless, sufficient of all these in their brighter phases has been given for the reader to form an adequate idea of the whole true history of Mexico.*”

“*But it is the people, their origin and environment, their nature and development, their virtues and their shortcomings, their loves and hates, and the gross wrongs flung upon them by foreign foes, their long struggle for freedom, for physical and intellectual emancipation—it is regarding these things that the pages of this book are chiefly occupied.*”

Vol. I., medium 8vo, cloth, pp. xiv. and 488, price 15s.

HISTORY OF CANADA.

BY

WILLIAM KINGSFORD.

This volume includes the period previous to the descent of the Mississippi to the Gulf of Mexico, by De la Salle, on 9th April, 1682.

The second volume, which will extend to the Peace of Utrecht, 1713, and the death of de Vaudreuil (10th October, 1725), will shortly appear.

The third volume, continuing the narrative to the Conquest of Quebec by Wolfe in 1759, concluding the period of French rule, is in preparation.

BOOKSELLER.—“We have here a work which promises, when completed, to be the most important and extensive history of Canada as yet given to the world.”

SCOTSMAN.—“No earnest student of history will complain of the fulness or thoroughness of the work. These are its great merits. . . . The work promises to be a standard of trustworthiness. . . . The following volumes will be eagerly looked for.”

QUEBEC CHRONICLE.—“We must confess to having derived a great amount of pleasure from the perusal of Mr. Kingsford’s scholarly and brilliant work. We shall look with interest for the succeeding volumes, and recommend the history with confidence to our readers.”

THE MONTREAL GAZETTE.—“When completed, it will be a most valuable addition to our library of historical literature.”

TORONTO WORLD.—“It is certain to be referred to as the standard authority on many hitherto disputed points.”

THE WEEK (Toronto).—“A work of considerable value.”

THE AUSTRALIAN RACE:

Its Origin, Languages, Customs, Place of Landing in Australia, and the Routes by which it spread itself over that Continent.

BY

EDWARD M. CURR,

Author of "Pure Saddle Horses," and "Recollections of Squatting in Victoria."
With Map and Illustrations.

In the compilation of this work the author has had in view two objects: to collect as much information as possible in connection with the manners, customs and languages of the Australian Blacks, from one end of the Continent to the other; and to demonstrate from the materials collected, a number of facts connected with the long past history of this section of the human family.

The First Three Volumes contain:

Remarks on the Aboriginal Languages of Australia
—Remarks on some of the words of the Vocabulary
—The Aborigines; their Manners and Customs—
Marriage—Weapons and Implements—Origin of
the Australian Race—The place and period at
which the forefathers of the Australian Race landed,
and the Routes by which their descendants spread

themselves over the Continent—Diseases and
Decline of the Aboriginal Race—Remarks on some
of the works which treat of the Aborigines of Australia;
with full descriptive Accounts of all the Tribes
of the Australian Races—Prefatory Remarks and
Vocabularies.

Volume IV. comprises a Comparative Vocabulary of the various tribes of the Australian Race, and a large COLOURED MAP of Continental AUSTRALIA, showing the Routes by which the Aboriginal Race spread itself throughout the Continent, and containing reference numbers to the Tribes which are treated under such numbers in the body of the work.

DR. J. COLLIS BROWNE'S CHLORODYNE.

COUGH,
COLDS,
ASTHMA.
BRONCHITIS.

DR. J. COLLIS BROWNE'S CHLORODYNE
—This wonderful remedy was discovered by Dr. J. COLLIS BROWNE, and the word Chlorodyne coined by him expressly to designate it. There never has been a remedy so vastly beneficial to suffering humanity, and it is a subject of deep concern to the public that they should not be imposed upon by having imitations pressed upon them on account of cheapness, and as being the same thing. Dr. J. COLLIS BROWNE'S CHLORODYNE is a totally distinct thing from the spurious compounds called Chlorodyne, the use of which only ends in disappointment and failure.

DR. J. COLLIS BROWNE'S CHLORODYNE
—Vice-Chancellor Sir W. PAGE WOOD STATED PUBLICLY in Court that Dr. J. COLLIS BROWNE was UNDOUBTEDLY the INVENTOR of CHLORODYNE, that the whole story of the defendant was deliberately untrue, and he regretted to say it had been sworn to.—See *The Times*, July 13th, 1864.

DR. J. COLLIS BROWNE'S CHLORODYNE
is a LIQUID MEDICINE which ASSUAGES PAIN of EVERY KIND, affords a calm, refreshing sleep, WITHOUT HEADACHE, and INVIGORATES the NERVOUS SYSTEM when exhausted.

DR. J. COLLIS BROWNE'S CHLORODYNE rapidly cuts short all attacks of EPILEPSY, SPASMS, COLIC, PALPITATION, Hysteria.

GREAT SPECIFIC FOR

CHOLERA, DYSENTERY,
DIARRHŒA.

ORIGINAL AND
The GENERAL BOARD of HEALTH, London, REPORT that it ACTS as a CHARM, one dose generally sufficient.

DR. GILBON, Army Medical Staff, Calcutta, states — "TWO DOSES COMPLETELY CURED ME of DIARRHŒA."

From SYMES & Co., Pharmaceutical Chemists, Medical Hall, Simla.—Jan. 5th, 1880.
To J. T. DAVENPORT, Esq., 33 Great Russell St., Bloomsbury, London.—Dear Sir—

We embrace this opportunity of congratulating you upon the wide-spread reputation this justly esteemed medicine has earned for itself, not only in Hindostan, but all over the East. As a remedy

of general utility, we much question whether a better is imported into the country, and we shall be glad to hear of its finding a place in every Anglo-Indian home. The other brands, we are happy to say, are now relegated to the native bazaars, and judging from their sale, we fancy their sojourn there will be but evanescent. We could multiply instances *ad infinitum* of the extraordinary efficacy of Dr. Collis Browne's Chlorodyne in Diarrhœa and Dysentery, Spasms, Cramps, Neuralgia, the Vomiting of Pregnancy, and as a general sedative, that have occurred under our personal observation

during many years. In Choleric Diarrhœa, and even in the more terrible forms of Cholera itself, we have witnessed its surprisingly controlling power. We have never used any other form of this medicine than Collis Browne's, from a firm conviction that it is decidedly the best, and also from a sense of duty we owe to the profession and the public, as we are of opinion that the substitution of any other than Collis Browne's is a deliberate breach of faith on the part of the chemist to prescriber and patient alike.—We are, Sir, faithfully yours, SYMES & Co.

Members of the Pharm. Society of Great Britain, His Excellency the Viceroy's Chemists.

DR. J. COLLIS BROWNE'S CHLORODYNE is the TRUE PALLIATIVE in NEURALGIA, GOUT, CANCER, TOOTHACHE, RHEUMATISM.

IMPORTANT CAUTION.

The IMMENSE SALE of this REMEDY has given rise to many UNSCRUPULOUS IMITATIONS.

N. B.—EVERY BOTTLE OF GENUINE CHLORODYNE BEARS the GOVERNMENT STAMP the NAME of the INVENTOR.

DR. J. COLLIS BROWNE.

SOLD IN BOTTLES, 1s. 1/3d., 2s. 9d., 4s. 6d., by all Chemists.

SOLE MANUFACTURER,
J. T. DAVENPORT,
33, Great Russell Street, W. C.

TRÜBNER & CO.'S LIST.

A NEW VOLUME OF POEMS BY MR. EDWIN ARNOLD.

Now ready. Crown 8vo. pp. vi. and 264, cloth, 7s. 6d.

LOTUS AND JEWEL.

Containing "In an Indian Temple," "A Casket of Gems," "A Queen's Revenge." With other poems.

By Sir EDWIN ARNOLD, K.C.I.E., C.S.I.

Author of "The Light of Asia," etc., etc.

Times of India (Bombay).—"No other poet from our cold grey world has ever been able to paint Indian sunlight and the gorgeous Indian forests, and the fine fretwork of Indian temples; or to describe the soft manners and burning passions of a tropical people, whose civilization, though totally alien from ours, is older and perhaps more widely spread. Sir Edwin Arnold, with all the gifts of a skilled painter in words, has the poet's highest gift of all—sympathy.

Crown 8vo. pp. viii—324, cloth, 7s. 6d.

INDIA REVISITED.

By Sir EDWIN ARNOLD, M.A., K.C.I.E., C.S.I., Author of "The Light of Asia," etc.

With 32 Full-Page Illustrations from Photographs selected by the Author.

Spectator:—"The reader has seen India, or part of it, as if he had been there himself."

Under the Patronage of Her Majesty's Secretary of State for India.

Large Demy 4to. pp. xliii. and 365, cloth, £3 3s.

AL BERUNI'S INDIA.

An Account of its Religion, Philosophy, Literature, Geography, Chronology, Astronomy, Customs, Law, and Astrology (about A.D. 1030).

Edited in the Arabic Original, with an Index of the Sanskrit Words,

By Prof. EDWARD SACHAU, University of Berlin.

A Translation of this work is in the press, and will shortly be issued, in Two Volumes, in Trübner's Oriental Series.

New Edition, 747 pages, with Map. Price 21s.

THE INDIAN EMPIRE: ITS HISTORY, PEOPLE, AND PRODUCTS.

By Sir WILLIAM WILSON HUNTER, K.C.S.I., C.I.E., LL.D.

Additional member of the Viceroy's Council, late Director-General of Statistics to the Government of India.

'A marvellous combination of literary condensation and original research. It gives a complete account of the Indian Empire, its history, peoples, and products, and forms a worthy outcome of seventeen years of labour, with exceptional opportunities for rendering that labour fruitful. Nothing could be more lucid than Sir William Hunter's exposition of the economic and political condition of India at the present time, or more interesting than his scholarly history of the India of the past.'—*The Times*.

'Alone and unapproached as a complete, although necessarily condensed, account of India and its people.'—*The Westminster Review*.

8vo. cloth, pp. 118, price 7s. 6d.

THE OLD BAMBOO-HEWER'S STORY.

(TAKETORI NO OKINA NO MONOGATARI.)

The Earliest of the Japanese Romances, written in the Tenth Century.

Translated, with Observations and Notes,

By F. VICTOR DICKINS.

With Three Chromo-lithographic Illustrations taken from Japanese Makimono, to which is added the Original Text in Roman, with Grammar, Analytical Notes and Vocabulary.

LONDON: TRÜBNER & CO., LUDGATE HILL.
