AEDM 2001

International Exhibition and Conference on Asian Emergency Care and Defence Medicine

27-29 September 2001, Singapore EXPO

AEDM 2001 presents an excellent opportunity for exhibitors of products in emergency care and disaster relief to showcase their latest products and services. Forge new partnerships, develop new businesses, establish representation for the Asian market. Meet with both uniform and non-uniform groups from government agencies, medical/health specialists, armed forces to distributors and NGO's.

Conference As part of the event a high level international conference will also be organised centering on the theme "Emergency Care & Defence Medicine: Challenges in the New Millennium".
