Manuscripts

The China Quarterly welcomes the submission of manuscripts on all aspects of contemporary China and from all points of view, including those which deal with Taiwan and Overseas Chinese. Articles on China prior to 1949 are also welcome, particularly, but not exclusively, when these relate directly to contemporary China or to the history of the Chinese Communist Party. Articles should be submitted, together with a duplicate copy, to the editorial office. They should be typed in double spacing and, preferably, conform to the styling of *The China Quarterly*.

The China Quarterly is published by the Contemporary China Institute of the School of Oriental and African Studies, London University. The views expressed in articles are those of individual authors and do not necessarily represent the views of the Contemporary China Institute.
