Cell Survival and Death in the Nervous System: From Basic Mechanisms to Neurodegenerative Disease

To be held at the Wellcome Trust Building, London 4 May 1994

The Medical Research Council (under the Neuroscience Approach to Human Health Initiative) and the Wellcome Trust are holding a one day Workshop on Cell Death in the nervous system. The Workshop aims to bring together a distinguished, international group of speakers who span the range from basic science to clinical applications. Speakers include D. Attwell (UCL), J. Garthwaite (Wellcome Foundation), R. Lindsay (Regeneron), M. Raff (UCL), J. Saville (Nottingham), J. Y. Juan (Mass General), A. Wyllie (Edinburgh). The aim is to explore how recent findings into the causes and mechanisms of Cell Survival and Death can be used to identify new opportunities for research in neurodegenerative disease.

Applications to attend are invited from basic scientists and clinicians. A short c.v. and brief summary of research interests should be sent to:

Ms N. Wiseman, Medical Research Council, 20 Park Crescent, London W1N 4AL

By 4 March 1994.

THE SOUTH OF ENGLAND SCHOOL FOR PSYCHOANALYTIC PSYCHOTHERAPY (S.E.S.P.P.)

Applications are invited for the School's TRAINING in PSYCHOANALYTIC PSYCHOTHERAPY commencing October 1994 based in South-West London. The Training is designed and provided by members of the British Psycho-Analytical Society.

Applicants should be between the ages of 25 and 55 and should possess a University Degree, or equivalent, in an appropriate core discipline.

Closing date for application: 30th April 1994.

The Training Prospectus and Application forms may be obtained from the Administrative Secretary Ms. Sarah Nettleton, 24 The Avenue, Twickenham, Middlesex TW1 1RY, Telephone 081 744 3801.

Delusions and Hallucinations in Old Age

**EDITED BY
CORNELIUS KATONA
AND RAYMOND LEVY**

The history, concepts and management of delusions, functional disorders, and organic disorders of old age whose presenting symptoms are delusions or hallucinations.
