COLLEGE LIBRARY
ST. CINCINNATI, KANSAS

LIGHTS UP-
COSTS *DOWN!*

IT'S *QUARTZ* *LIGHTING* BY **KLIEGL**

*the TOTALLY NEW concept
in THEATRE LIGHTING!*

Another first from Kliegl—an exciting era of new efficiency and new economy in theatre lighting! As perfected by Kliegl in advanced-design units, Quartz Lighting for your theatre means more light, with less wattage and longer lamp life! Design is more compact—yet your range of effects is broader.

DESCRIPTIVE LITERATURE AVAILABLE—Advance information on the complete line of Kliegl Quartz Lighting units and controls. Ask your Kliegl representative for your copy—and for details on why Quartz Lighting belongs in your theatre. Or write us directly for your copy of new Catalog Q-8.

New

Journey to Chaos

Samuel Beckett's Early Fiction. By RAYMOND FEDERMAN. This brilliant examination of Beckett's early novels and short stories serves as a key and an introduction to the whole body of Beckett's fiction—particularly the later, more complex works. The purpose of the book is to show how the gradual, puzzling disintegration of form and content in Beckett's work is eventually perfected into an aesthetic system. \$6.00

The Films of Akira Kurosawa

By DONALD RICHIE. Probably the best critical study of a film director ever written; a sensitive examination of all Kurosawa's films—from *Sugata Sanshiro* in 1943 to the latest, *Red Beard*. Freshly recreates such films as *Rashomon*, *Seven Samurai* and *Yojimbo*—profusely illustrated. Large format. \$11.00

Luigi Pirandello, 1867-1936

Third, Revised Edition. By WALTER STARKIE. This book, one of the first in English to deal with the emergence of the great Italian playwright, and now expanded and brought up to date, remains the standard work. A penetrating survey and analysis of the plays, it is based both on the author's experience as a theater director and on his personal involvement with Pirandello. \$5.00

King Lear in Our Time

By MAYNARD MACK. Professor Mack gave the Beckman Lectures on the Berkeley campus of the University of California in the fall of 1963, and has re-cast them in this volume, in which he considers certain historical and analytical problems bearing on the stage production and central meaning of one of the most profound of Shakespeare's plays. \$3.75

**STAGE DESIGN THROUGHOUT THE WORLD
SINCE 1950**

By Rene Hainaux & Yves-Bonnat

"An uncommonly beautiful book. . . . It belongs in every theatre library."
—Players Magazine. "Persons in every phase of the theatre will find much stimulation and suggestion in this valuable and handsome collection."
—Library Journal. "A lavish and comprehensive book. . . . It is definitely a book to work at, not to browse through. . . . For me the most original and intriguing part of the book is the chapter devoted to questions and answers dealing with new methods and materials in stage design. It reads like a lively and stimulating conversation among craftsmen from many countries, and it has been most craftily translated and strung together."
—Tanya Moiseiwitsch, Educational Theatre Journal. 9½ x 12 inches, 276 pages in all, including 56 pages of text, 190 pages of black and white illustrations, 16 pages in full color, on heavy coated paper.

\$25.00

**STAGE DESIGN THROUGHOUT THE WORLD
SINCE 1935**

By Rene Hainaux & Yves-Bonnat

Out of print for a number of years, this "book of beauty and practicality" is now reissued in a small third printing in its original luxurious format. "A joy to anyone interested in the theatre."
—Players. Covering the years 1935–1950, the book consists of 224 pages, 176 of illustrations, 35 in full color, 9½ x 12 inches.

ANNOUNCING A NEW REPRINT

№ 109

HALL'S CHRONICLE

(sometimes HALLE)

OR THE UNION OF THE TWO NOBLE AND ILLUSTRE FAMILIES OF LANCASTER AND YORK

containing the History of England during the reign of Henry the Fourth, and the succeeding monarchs, to the end of the reign of Henry the Eighth, in which are particularly described the manners and customs of those periods. Carefully collated with the editions of 1548 and 1550.

Edited by SIR HENRY ELLIS

LONDON • 1809

THE STANDARD EDITION

Library bound Volume \$65.00

THIS is the standard, very rare, and only complete edition of the chronicle scholars now regard as a towering source for Shakespeare's history plays. Its value equals and some think may even surpass Holinshed's. For if Holinshed supplied Shakespeare with facts, Hall gave him a political philosophy.

"I doubt if Hall's great importance not only as an influence on Shakespeare but as a shaper of Tudor historical thought, not to speak of his considerable literary merit, has ever been recognized as it should," wrote the late E. M. W. Tillyard in his *Shakespeare's History Plays*. "I have no doubt," he continued, "that Shakespeare had read Hall in his youth . . . It is in the early Histories that he borrows most from Hall; in the later group the specific borrowings are scarcer. It looks as if he had assimilated Hall so well that he did not need to refer to him any more. Hall's ideas had by this time become a part of his mind . . . Hall's chronicle caught Shakespeare's youthful imagination and impelled him to dramatize the whole stretch of English history from the prosperity of Edward III, through the disasters that succeeded, to the establishment of civil peace under the Tudors."
