**INTERNATIONAL SYMPOSIUM ON
PITUITARY MICROADENOMAS**

Università degli Studi, Milano, October 12-14, 1978

The program will include 20-22 invited lectures, 2 open discussions on "Problems in pathogenesis of pituitary microadenomas" and "Problems in treatment of pituitary microadenomas", respectively, and about 30 free communications.

Presidents: W. H. Daughaday and C. B. Wilson.

Secretaries: G. Faglia and M. Giovanelli.

Scientific committee: V. Bernasconi, H. G. Friesen, G. Guiot, A. M. Landolt, R. M. MacLeod, K. von Werder.

Invited lectures on biological, endocrinological, neuroradiological and neurosurgical aspects will be presented by leading investigators in the field.

Free Communications: abstracts are to be submitted on special forms by April 30th 1978. Oral presentation will be limited to about 30 papers only. Priority will be assessed by an international referee board. All submitted papers will be published in the abstracts booklet.

The Proceedings, including lectures, selected communications, and discussions will be published by Academic Press in the Serono Symposia series.

Official language: English.

Information: Secretariat of the International Symposium on Pituitary Microadenomas — Clinica Neurochirurgica dell'Università — Ospedale Policlinico - Pad. Beretta - via F. Sforza 35 - 20122 Milano, Italy.
