## **ESSAYS OF GEORGE ELIOT**

THOMAS PINNEY

The twenty-eight selections from George Eliot's literary criticism which make up this book are fully representative of her range as a critic and reviewer. Written early in her career, the essays and reviews reveal a freedom of thought, an occasional racy effectiveness, and a severity of judgment which contrasts with the tolerant spirit of her novels. Most of the selections were written while she was a journalist in London, from 1851 to 1857. Eleven have never been reprinted since they first appeared in Victorian journals, and one has never before been published. Each article has headnotes giving the circumstances of composition and history of publication.

## **A HISTORY OF "THE FREEMAN"**

**LITERARY LANDMARK OF THE EARLY TWENTIES**

SUSAN J. TURNER

A sign of the vitality of the early nineteen-twenties in America was the brilliance, range, and intellectual seriousness of the advanced magazines of the period. *The Freeman*, though a short-lived publication, was perhaps the most significant expression of the liberal political and the advanced literary thought of the time. Among the many luminaries associated with it were Van Wyck Brooks, Geroid T. Robinson, Lewis Mumford, Laurence Housman, Constance Rourke, and Louis Untermeyer. In this study Susan J. Turner reveals the important role it played in American life during its existence and gives examples of how it influenced the intellectual fervor of the United States in the nineteen-thirties.

..... taught .....

(In zoned cities, be sure to give zone number; give street address only if needed.)

PLEASE READ CAREFULLY

Except in special circumstances, those joining in the first half of the year will be enrolled as members as of the preceding January 1 and will receive the back issues, if any, of the current volume of *PMLA*; those joining in the second half of the year will be enrolled as of the following January 1 and will receive the next volume of *PMLA*. But all persons are eligible to take part in the annual meeting of the year in which they apply for membership and will be sent the program of that meeting.

Checks and money orders should be made payable to the MODERN LANGUAGE ASSOCIATION and mailed with this form to the treasurer of the Association at the address given above. For the schedule of annual dues, see the back of this form.

*Please cut along lines*

## CHANGES OF ADDRESS, AFFILIATION, AND RANK

The MLA Treasurer's office urgently requests the cooperation of members so that it may cut down the number of misdirected copies of *PMLA* and may make the annual September directory a more accurate listing of the membership. At present, we receive a *distressingly large number of communications in the late fall reporting new affiliations and addresses as of September*. The results are that several hundred copies of the September issues are not delivered (and neither forwarded nor returned to us) and these mailings then have to be duplicated later when we have finally received current addresses. Unless we have information about new affiliations and addresses *by the middle of August*, we cannot record them in the September directory or include the new addresses in the mailing list for the September issues.

We would furthermore ask that members give *all necessary information when writing to us about any change*. If a member previously at the University of Texas sends a U. S. Post Office form giving a new address in Hanover, New Hampshire, we may guess that he has accepted an appointment at Dartmouth, but we cannot be certain and, in any case, do not know what academic position should be included in his directory listing. Each such case—and there are many—requires that we send a card asking for the additional information. Members reporting a change of name because of marriage should indicate whether directory should list only married name, or maiden name plus married name in parentheses.

From now on, the form on the back of this announcement will appear in every issue of *PMLA*. If members will cut it out and use it to inform us of changes, we will be able to handle them with more efficiency and dispatch.

## SCHEDULE OF DUES

Section I, 1, of the bylaws, as amended by the action of the membership at the business meeting at Madison, Wisconsin, September 9, 1957, reads:

"The annual dues shall be ten dollars except for the following special categories of membership:

- a. Student membership at five dollars, open for a maximum of three years to those who are engaged primarily in a course of study leading to a degree and who do not hold full-time teaching appointments.
- b. Joint husband-and-wife membership at fifteen dollars with only one subscription to *PMLA*.
- c. Foreign membership at seven dollars, open to resident citizens of countries other than the United States and Canada.

With the exception stipulated in sub-section *b*, members in these three special categories shall be entitled to all rights and privileges of membership."

*Please check the classification under which you come and return this form with the proper remittance.*

1. Regular membership .....\$10.00
2. Student membership (see below) ..... 5.00
3. Husband-and-wife membership (see below) ..... 15.00
4. Foreign membership (see below) ..... 7.00

Anyone coming under the provisions of sub-section *a* of the bylaw above is asked to obtain the signature of the chairman of the department in which he is enrolled as a student, attesting to his status:

\_\_\_\_\_  
Chairman and Department

\_\_\_\_\_  
Institution

Persons applying for joint husband-and-wife membership may either use two forms or supply the needed information about one of them on a separate sheet of paper.

The fourth classification (foreign membership) does not include citizens of the United States and Canada resident in other countries or citizens of other countries resident in the United States or Canada.
