INFORMATION FOR CONTRIBUTORS

Articles should not exceed 10,000 words in length. Editions of previously unpublished texts and documents as well as short papers will also be considered for publication. No paper will be considered if it is not satisfactorily documented. The Editors reserve the right to make stylistic or bibliographical emendations.

The following notes are not intended to be comprehensive: would-be contributors are strongly recommended to use the style sheet, available from the Assistant Editor, for guidance. Manuscripts must be submitted in duplicate, with double spacing and wide margins: the author should retain a copy. *References* must be typed with double spacing and arranged by number in order of their citation in the text: strict adherence to the standard form is required. Four *illustrations* are allowed free of charge; additional illustrations will be reproduced at the Editors' discretion and will be charged to the author. Each caption must include particulars of the source of the illustration and should be typed on a separate sheet.

Each contributor will receive a *proof*, which should be corrected and returned to the Assistant Editor as quickly as possible. Any changes other than the correction of typographical errors will be charged to the author.

Authors will receive 25 *offprints*, and a copy of the journal, free of charge. Particulars of the cost of additional offprints will be sent before publication, and orders must be made by return.
