

Announcement

The First European Conference on Psychotherapy Research *17–20 September 1981*

This conference was stimulated and is sponsored by the Society For Psychotherapy Research (U.S.A.)—an international, multidisciplinary, scientific organization. The Society For Psychotherapy Research, founded in 1968 as an independent organization is dedicated to the scientific study of psychotherapy, its purpose is to encourage the systematic study of psychological principles underlying personality and behaviour change resulting from psychotherapeutic intervention.

Professor Michael Gelder, Warneford Hospital, Oxford, is the European Vice-President.

Organizer of the conference
