The Golden Age of the Chinese Bourgeoisie 1911–1937

MARIE-CLAIRE BERGERE

This innovative study looks at the gradual establishment of the bourgeoisie as a specific and coherent social class in China. Bergere describes how, even though the bourgeoisie had their own political ideology, they were unable to establish any formal authority in the aftermath of the state's collapse.

***Revolutionaries, Monarchists, and Chinatowns* Chinese Politics in the Americas and the 1911 Revolution**

L. Eve Armentrout Ma

The relationship of overseas Chinese to the Chinese revolution of 1911 has always been viewed in the light of their involvement with Sun Yat-sen. Of at least equal significance, however, was the growth and development in overseas communities of the radical reform party of K'ang Yu'wei and Liang Ch'i-ch'oa. This book offers a comprehensive and original treatment of this dimension of Asian American politics.

Chinese Buddhist Apocrypha

Robert E. Buswell, Jr., editor

Modern scholarship has revealed that many of the most important Chinese Buddhist scriptures are not translations of Indian texts, as they purport to be, but actually were composed in China by Chinese authors. The essays in this inaugural volume, while weighted towards issues of textual authenticity and scriptural legitimation, also address the role that apocryphal scriptures can play in documenting the social and political forces influencing Chinese religion.
