

## MEMBERSHIP AND SUBSCRIPTION

1. Any person desirous of becoming a Fellow must be nominated by one Fellow and seconded by another, of whom one must act on a personal knowledge that the candidate is likely to be a suitable and useful Fellow ; and the nominating Fellows shall address the Secretary in writing and give the candidate's name, address, and occupation, or status, and shall state to which class the candidate desires to be admitted. Provided always that for persons domiciled abroad it shall be within the power of the Council, on being satisfied as to the credentials of any particular candidate, to dispense with these conditions.

2. The annual subscription for each class of Fellow is :—

	£
Fellows resident in the United Kingdom . . . . .	4·20
Fellows subscribing under covenant . . . . .	3·50
Fellows residing abroad . . . . .	3·15

3. Library Associates, elected for five years only . . . . .	1·50
Libraries . . . . .	4·20

4. A Fellow may compound for all future annual subscriptions by paying in lieu thereof :—

Under forty years of age : . . . . .	one sum of £70 or covenanting to pay £9 p.a. for seven years.
Over forty and under sixty years : . . . . .	one sum of £60 or covenanting to pay £8 p.a. for seven years.
Sixty years and over : . . . . .	one sum of £50 or covenanting to pay £7 p.a. for seven years.

5. The first payment of subscription is due on election, but if a candidate be elected in November or December of any year, the first annual subscription paid by him shall cover the year beginning on the 1st January next after his election.

6. Annual subscriptions shall be due on the first day of January of each year.

P.T.O.

When a candidate is proposed for election, this form should be completed in block letters and sent to THE SECRETARY, ROYAL ASIATIC SOCIETY, 56 QUEEN ANNE STREET, LONDON, W. 1.

## **The Invasion of Nepal**

*John Company at War*

JOHN PEMBLE

This is the first full-length study of the Anglo-Nepalese War of 1814–16, perhaps the first 'frontier' war in the history of British India. Based on many hitherto unused contemporary official and private documents, it aims not only at giving a detailed narrative of hostilities, but also at tracing the broader historical consequences. 7 plates 5 maps £4.50

## **Concordant Discord**

*The Interdependence of Faiths*

R. C. ZAEHNER

Professor Zaehner analyses the mystical traditions of India, China, Islam, and Christianity, and shows how together they fall into a coherent pattern. Whereas Indian religion is mainly concerned with the individual's release from this world, the Confucians in China seek to weld time and eternity together in a harmonious human society. Theoretically the two traditions could meet in Catholic Christianity. £4

## The European Understanding of India

Edited by K. A. BALLHATCHET, P. J. MARSHALL, D. F. POCOCK

A series of edited reprints of important works illustrating the growth of European understanding of India. These books and articles are still of great historical importance. The editor of each volume provides an introduction, notes and a bibliography.

## The British Discovery of Hinduism in the Eighteenth Century

Edited by P. J. MARSHALL

The search for knowledge of Hinduism was pursued to gain an understanding of the Indian way of life and to provide evidence to confirm or refute opinions in current debates on European values and theories of religion. Some of the most significant English contributions are reprinted here.

## The Economic Development of India under the East India Company 1814–1858

K. N. CHAUDHURI

The papers reprinted here illustrate quantitative aspects of Indian trade during this period and its institutional and policy features. The tracts show the methods of economic analysis being developed by English classical economists such as Ricardo and Mill and the ways they were being applied to Asia and Asian problems.

## **Geschichte der mongolischen Literatur**

Band I: 19. Jahrhundert bis zum Beginn des 20. Jahrhunderts

Band II: 20. Jahrhundert

*1971. Zusammen ca. 940 Seiten mit ca. 4 Farbtafeln, 1 Faltkarte und mehreren  
Abbildungen im Text, Leinen je Band ca. DM 84,—*

Das zweibändige Werk von insgesamt mehr als 900 Seiten des Mongolisten an der Universität Bonn behandelt in einer bisher noch nicht dagewesenen Fülle die Entwicklung der mongolischen Literatur im 19. Jahrhundert und in den ersten beiden Jahrzehnten unseres Jahrhunderts.

Die Einleitung gibt einen Überblick über die bisherigen Ansätze zu einer mongolischen Literaturgeschichtsschreibung und setzt sich mit den Formen der mongolischen Dichtung auseinander. In den anschließenden 19 Kapiteln werden, ausgehend von der Schlüsselstellung des Tsakher gebsi Lubsangčultim (1740–1810) als Übersetzer bei der Vermittlung indo-tibetischer Dichtung, bis Gamala alle Literaturgattungen behandelt: die Tierparabeln, Höllenfahrtsgeschichten, Lehrdichtung. Epik und Lyrik haben dort ebenso ihren beherrschenden Platz wie die Brauchtumsdichtung, Räuber- und Banditenballaden, Ritter- und Abenteuerromane sowie die Spielmannsdichtung. Jede Epoche wird vor ihrem historischen Hintergrund gesehen und gedeutet, die Literatur in den jeweils gesamtulturellen Zusammenhang eingeordnet und durch Porträts und Landkarten ergänzt. Dabei kommt der Dichter weitgehend selbst zu Wort. Allen Zitaten und Übersetzungen sind die Originaltexte in den Anmerkungen beigelegt, auch eine erschöpfende Bibliographie.

Register von Werktiteln, Verzeichnisse der Autorennamen und literarischen Gestalten runden das Werk ab, das die erste umfassende Darstellung der mongolischen Literatur des 19. Jahrhunderts ist.

**TÜRKISCHE UND MONGOLISCHE ELEMENTE  
IM NEUPERSISCHEN**

Unter besonderer Berücksichtigung älterer neupersischer Geschichtsquellen,  
vor allem der Mongolen- und Timuridenzeit

In der Iranistik hat bisher eine zusammenfassende Untersuchung der mongolischen Elemente im Neupersischen gefehlt. Das vorliegende Werk schließt diese Lücke. Es informiert sowohl den Linguisten als auch den Historiker über die Form mongolischer Lehnwörter und die Ausbreitung mongolischen Geistesguts, und zwar nicht nur im Iranischen, sondern auch in zahlreichen Nachbarsprachen des Mongolischen Imperiums (Arabisch, Indisch, Slawisch usw.), so daß es für Gelehrte vieler Fachrichtungen von Interesse ist.
