UPCOMING EVENTS

March 3. Symposium on Groundwater Protection sponsored by the Institute for Alternative Agriculture, in Washington, DC. Contact IAA, 9200 Edmonston Road, Greenbelt, MD 20770.

March 18-20. International Development Conference including sessions on U.S. agriculture and the Third World in Washington, DC. Contact International Development Conference, 1401 New York Avenue, NW, Suite 1100, Washington, DC 20005.

March 20-25. North American Wildlife and Natural Resources Conference sponsored by the Wildlife Management Institute, in Quebec City, Canada. Contact WMI, 1101 - 14th Street, NW, Suite 725, Washington, DC 20005.

March 22-27. Soil and Water Conservation on Steep Lands sponsored by Soil Conservation Society of America and the World Association of Soil and Water Conservation, in San Juan, Puerto Rico. Contact SCSA, 7515 Northeast Ankeny Road, Ankeny, IA 50021.

April 4. 4th Annual Symposium on Ecological Agriculture at Cornell University. For information, write to EARC, Department of Vegetable Crops, Plant Science Building, Cornell University, Ithaca, NY 14853-0327.

April 27-29. The Role of Legumes in Conservation Tillage Systems sponsored by the Soil Conservation Society of America, at Athens, Georgia. Contact SCSA at 7515 Northeast Ankeny Road, Ankeny, IA 50021.

April 28-30. Only One Earth, a conference on sustainable development organized by the International Institute for Environment and Development, in London, England. Contact David Runnalls, IIED, 1717 Massachusetts Avenue, NW, Suite 302, Washington, DC 20036.

July 19-22. The 2nd Annual Herb Growing and Marketing Conference co-sponsored by the Purdue University Dept. of Horticulture, the Cooperative Extension Service, and the International Herb Growers and Marketers Association, in Indianapolis, Indiana. Contact Dr. James Simon, Horticulture Building, Purdue University, West Lafayette, IN 47907.

Oct. 7-10. Conference on Value Issues in Agricultural Research and Technology sponsored by the Humanities and Agriculture Program at the University of Florida and held in Orlando, Florida. Contact Richard Haynes, University of Florida Dept. of Philosophy, 370 Arts & Sciences Building, Gainesville, FL 32611.

November 17-19. Alternative Uses of Highly Erodible Agricultural Land, a regional agricultural development conference. Contact the Southern Rural Development Center, P.O. Box 5446, Mississippi State University, Mississippi State, MS 39762.

Farm Management Opportunity

Associate manager and/or couple wanted on expanding 1600 acre river front farm, 55 acres currently in fruit. Mechanical skills necessary, retailing confidence a must, leadership with workers and background in tree fruit production important. Housing, benefits, bonus opportunity provided. Send current resume in confidence to: Westmoreland Berry Farm and Orchard, P.O. Box 1121, Oak Grove, VA 22443.
