Following is a list of microscopy related meetings and courses. The editors would greatly appreciate input to this list via the electronic submission form under "events/other microscopy events" at the MSA webpage: www.microscopy.org. We will gladly add hypertext links to the notice on the web and insert a listing of the meeting in the next issue. Please furnish the following information (any additional information provided will be edited as required and printed on a space available basis):

- Meeting/Course name
- Meeting/Course dates
- Meeting/Course topic or short description
- Sponsoring society/organization/university
- Contact person
- Telephone number
- Fax number
- Email address
- URL for website

Meetings 2021

23rd Biennial Meeting of the International Society for Developmental Neuroscience

May 22–25, 2021

Virtual

Expand your Knowledge of Microscopy with

MSA Membership!

Whether your primary focus is in light, electron, or scanning probe microscopy, or the biological or physical sciences, MSA takes your knowledge to the next level!

Members Receive:

- A personal subscription to MSA's official journal, *Microscopy and Microanalysis*, and MSA's popular bi-monthly magazine, *Microscopy Today*
- Peer Networking through the Society's Focused Interest Groups and Local Affiliated Societies
- Discounts on books, journals, and other educational materials
- MSA Awards Programs, Speaker Opportunities, Scholarships, and much more!
