

Effect of electropulsing-ultrasonic surface treatment on the surface properties and the corrosion behavior of 45 steel–CORRIGENDUM

Bing Zhang, Haibo Wang, Shuo Zhang, Guolin Song, Song-Zhu Kure-Chu, Xinglong Wang, Jie Kuang, and Guoyi Tang

doi: 10.1557/jmr.2016.126, Published by Materials Research Society with Cambridge University Press, 16 May 2016.

In the original publication of this article, Figs. 6(a) and 6(b) were missing a portion of the specimen figure. The corrected figure is shown below.

The authors regret this error.
