INSTITUTE OF SOUND AND VIBRATION RESEARCH

CLINICAL AUDIOLOGY COURSE, MARCH 1973

A further non-residential course in Clinical Audiology will be given by the Operational Acoustics and Audiology Group of the Institute during the period 26 to 30 March 1973. The course, now of five days, is intended primarily for specialists in otolaryngology and trainees in the speciality and will consist of lectures and demonstrations of the latest audiological and vestibulometric techniques.

To prevent overcrowding of demonstrations, the course number will be limited to twenty-four. Early application is therefore advised. The fee will be £50. In exceptional circumstances one or two reduced fee places may be granted.

Further information may be obtained from Mrs. O. G. Hyde, ISVR Conference Secretary, The University, Southampton SO9 5NH. Telephone: Southampton (0703) 59122, Extension 2310.
