The mission of the SDMPH is to advance and promote excellence in education, training and research in disaster medicine and public health for all potential health system responders based on sound educational principles, scientific evidence and best clinical and public health practices.

The SDMPH is dedicated to the promotion and advancement of excellence in disaster medicine and public health across a broad global, multiprofessional membership. The SDMPH will provide members with resources, organizational structure, and the means to sustain interprofessional interaction and discourse related to the discipline of disaster medicine and public health.

**[www.sdmph.org](http://www.sdmph.org)**

**240-833-4429**

### **Who should attend?**

Join over 300 attendees from ALL health professions as well as non-health individuals and organizations who play a major role in preparing for and responding to major events (natural disasters, conflict, technological). Emphasis will be on Disaster Global Health and individuals and nations coming together for more effective support of all elements of the disaster cycle.
