MAY MEMBER OF THE MONTH

“APSA is a great way to connect with scholars who share my research interests and as well as the broader scholarly community. Over the years I’ve been heavily involved with the Presidents and Executive Politics section. I’ve served on numerous awards committees over the years, and while it can be a lot of work, it’s great to see what other people are working on.”

BRUCE CAIN

JUNE MEMBER OF THE MONTH

Stanford University

“One of the things I appreciate most about APSA is the annual meeting, as it is the one time I get to see many of my former students and advisees. I don’t spend all my time chatting in the hallways but enough to make the meeting more than just another conference with papers.”

The APSA Member of the Month program recognizes one member each month. Nominations for the award (including self-nominations) may be submitted by members and nonmembers of APSA. To submit your nomination visit our member of the month page online: www.apsanet.org/motm.
