## Mission Statement

As a 'Quarterly Review of New Music', TEMPO exists to document the international new music scene while contributing to, and stimulating, current debates therein. Its emphasis is on musical developments in our own century, as well as on music that came to prominence in the later twentieth century that has not yet received the attention it deserves.

The subscription price for volume 72 (Nos. 283-286), which includes delivery by air where appropriate (but excluding VAT) is £154 (US \$257 in USA, Canada and Mexico) for institutions (print and electronic); £125 (US \$212) for institutions (electronic only); £31 (US \$52) for individuals ordering direct from the publishers and certifying that the journal is for their personal use (print only).
